

*"I Am From..."*

*I am from a 3-minute walk up the street to see my best friend every day after school, the neighbor's beautiful golden retrievers freely running in the cul-de-sac, kick the can games until dark, and now years later it is colorless*

*I am from German heritage, blonde hair, blue eyes, and*

*"When are we going to Oma and Opa's?"*

*I am from a hardworking family who has never had anything handed to them, but still recognizes the privilege that their skin color gives them*

*I am from a polluted place that needs reform*
