Attendance: Your attendance is required in order to be successful in this class. If you are unable to attend class, it is your responsibility to get the information from another student. Exams and quizzes may only be made up with a pre-approved excuse or a documented medical excuse.

Quizzes: There will be a short quiz at the beginning of every week over material from the previous week. One quiz score may be dropped from your final grade.

Homework: Homework will be assigned when appropriate. Homework will be due the following class period. Late assignments will not be accepted.

Make-up Policy: I would like to avoid any make-up situations on exams. Please notify me at least one week prior to the exam if you have a schedule conflict.
Academic Honesty: The pursuit of truth demands high standards of personal honesty. Academic and professional life requires a trust based upon integrity of the written and spoken word. Accordingly, violations of certain standards of ethical behavior will not be tolerated at Xavier University. These include theft, cheating, plagiarism, unauthorized assistance in assignments and tests, unauthorized copying of computer software, the falsification of results and material submitted in reports or admission and registration documents, and the falsification of any academic record including letters of recommendation. All work submitted for academic evaluation must be the student's own. Certainly, the activities of other scholars will influence all students. However, the direct and unattributed use of another's efforts is prohibited as is the use of any work untruthfully submitted as one's own. Penalties for violations of this policy may include one or more of the following: a zero for that assignment or test, an "F" in the course, and expulsion from the University. The dean of the college in which the student is enrolled is to be informed in writing of all such incidents, though the teacher has full authority to assign the grade for the assignment, test, or course. If disputes of interpretation arise, the student, faculty member, and chair should attempt to resolve the difficulty. If this is unsatisfactory, the dean will rule in the matter. As a final appeal, the academic vice president will call a committee of tenured faculty for the purpose of making a final determination.
