I

XAVIER UNIVERSITY
COLLEGE OF SOCIAL SCIENCES, HEALTH, AND EDUCATION
SCHOOL OF NURSING

Spring 2012

COURSE NUMBER AND TITLE: NURS 560 Nursing Perspectives II

NUMBER OF CREDITS: 3

PREREQUISITES: All first semester MIDAS courses

COREQUISITIES: All 2nd semester MIDAS courses

COURSE DESCRIPTIONS:

This course begins the application of the role of the Clinical Nurse Leader in caring for diverse clients across the life span. Principles of leadership, risk assessment, resource management and utilization of data to improve care are discussed. The role of the nurse in providing health counseling and education to guide clients in making informed choices for health care is discussed. Providing culturally competent spiritual care for diverse clients is addressed.

COURSE OBJECTIVES:

1. Analyze issues related to growth and development across the life span.
2. Integrate content from the physical, biological, technological, social, and behavioral sciences to understand holistic care for the dying client and their family.
3. Discuss ethical issues relevant to care of clients across the life span.
4. Apply information management principles for effective and efficient care of diverse clients.
5. Explore management and leadership principles essential for the care of diverse clients experiencing health-illness transitions across the life span.
6. Investigate theory guided best evidence for the care of clients across the life span.

Email: Moore@xavier.edu

Linda Schmid, PhD, RN, CNL
Office: 125
Office Hours: By appointment
Email: Schmid@xavier.edu

COURSE TIMES & LOCATION:

Tuesdays 9:30-12:00
Location: TBA

TEXTS /LEARNING RESOURCES:

All books used in NURS 550, 552, 553, 562, 563, 564, 565

E-reserves as assigned

METHODS OF INSTRUCTION:

Lecture

Seminar discussion

Problem-based experiential learning strategies

EVALUATION METHODS:

Exam I	25%
Exam2	25%
HESI Exam	10%
Scholarly Paper	20%
CNL Concept Group Presentation	20%

GRADING SCALE:

A	90-100%
B	80-89%
C	70-79%
F	Below70%

***NOTATION:** All students will be required to take the Health Education Systems, Inc. (HESI) exam as part of the requirements for this course. This exam provides both a HESI score and a conversion score.

Students must achieve a HESI score of at least 850. Any student who does not achieve a minimum of 850 HESI score must participate in remediation. The student will receive an "I" for the course until remediation is successfully completed, as determined by the Course Faculty. The course grade will be calculated using the HESI conversion score. If remediation is not successful in the allotted time, the "I" will convert to an F for the course grade. The conversion score will be used for an exam score and will count for 10% of the final grade for this course.

Attendance Policy:

Reasonable attendance at all class meetings is expected. Should circumstances prevent a student from attending class, the student should inform the faculty person teaching for the day prior to the class meeting (leave voice mail on office phone). This is a professional courtesy. If a student is unable to attend a class the responsibility of missed class content is the sole responsibility of the student. Tests and written assignments may include content covered in class or in assigned readings. Refer to Attendance Policy in Graduate Student Handbook for the School of Nursing.

Caveat: Upon extenuating circumstances, the content & schedule for this course may require modification.
