Course Description: This course is the beginning of the intermediate Spanish sequence. The principal goals of language study are communication and proficiency while learning about the Spanish speaking world. Classes are conducted in Spanish. The majority of each class session will be dedicated to conversation and writing practice, applying the assigned vocabulary and grammar structures to real situations and contexts. This model places greater responsibility on students’ preparation and study of grammatical structures and vocabulary prior to class sessions. Class activities will take place both in the assigned classroom and the Language Resource Center, making use of technology.

Placement: This course is for students who have earned credit for Spanish 102 or who have placed into the course through examination. All students with 2 years or more of a language in high school are required to take a placement test in the language they took in high school. Students wishing to move down to SPAN 102 will earn elective credit for that level and will fulfill the requirement with SPAN 201. In order to change levels the student needs to see the chair or the language coordinator. Please consult with the instructor if you any other question regarding placement.

Course Objectives: Upon successful completion of this course, you will be able to:

Perform the basic communication tasks from S101, S102 and the S201 AdelanteTRES text and explore the following themes through conversation, listening, viewing, reading and writing:

- Outdoor adventures, nature and the environment, recycling and conservation
- City life, daily chores, money and banking
- Health and well-being, exercise and nutrition
- The world of work and your future career
- Expression of doubt and disbelief
- Unreal, imagined and possible persons, places, things, activities and events
- Everyday activities, people and places

Required Materials: Students taking 201 this semester should purchase the REQUIRED COMPONENTS IN ONE PACKAGE:

*Adelante! Tres (W/Supersite & WebSAM Access Code) Edition: 2nd
Author: Jose Blanco
Publisher: Vista Higher Learning
ISBN: 9781618579881

*TalkAbroad credit for three conversations (to be purchased in bookstore or online)
The *Supersite* is free with purchase of the textbook (Lab manual activities are also included in the text). The supersite includes the many important components such as homework and grammar tutorials. Students will need the access code provided in the inside of the textbook to register for the Supersite. The access code cannot be used more than once; thus, a used textbook will not serve you. It is also important to note that the access code cannot be purchased separately. Please keep this in mind if you choose to purchase course materials from an off-campus provider such as Amazon.

**A new textbook, with a SupersitePlus code, required: The Publishing company will not sell codes**

**Student Responsibilities:**

- **Attend and be ready to participate in classes regularly.** Notify your instructor via email of issues regarding any extended absences. (Consult departmental Attendance and Class Participation norms below.)

- **Check syllabus calendar and be alert to all emails, texts, and Canvas messaging about class location and homework.**

- **Follow language learning strategies** provided to you and develop your own.

- **Store all electronic devices during class sessions.**

- **Show respect for classmates and instructor.** Please do not interrupt or speak when others are answering or explaining and never laugh at others’ attempts to communicate.

- **Take advantage of the instructor’s office hours for any and all questions.**

- **Take all quizzes and exams at scheduled times.**

**Assessment and Evaluation Policies:**

**Homework:** Assignments will include the following: WebSAM and Lab Manual online exercises, and additional assignments per instructor. **Students should always review grammatical explanations in textbook and view grammar tutorials on Supersite before the class for which they are assigned.** This will allow for greater comprehension and facilitate student participation during class sessions

**TalkAbroad:** You will have three 30 minutes long conversations with a native Spanish speaker throughout the semester via Skype. Detailed instructions will be given at the beginning of the semester.
**Final Interview:** You will have a 10-15 minute long conversation in Spanish with your instructor at the end of the semester in which you will utilize themes, vocabulary and grammar we have practiced throughout the course. Given that you will have already conversed with your TalkAbroad partner about some of these themes, you will be able to share interesting conversation points with your instructor at this time.

**Testing:** There will be 4 chapter tests, a midterm exam and a cumulative final exam. Dates for the tests and exams are listed on the syllabus. Format will vary. All assessments will consist of listening and written sections.

**2 Compositions:** These will be written in class per the instructor’s guidelines. Your compositions should be at least three solid paragraphs in length and contain vocabulary and grammar that reflect the course.

**Cultural Event Paper:** See instructions for Cultural Activity Reaction paper below.

**Make-up Policy:**

There will be no make-ups for Tests. Except for XU sanctioned events, work, illness or family travel plans do not constitute exceptions.

There will be no individual make-ups for exams. In case of a missed mid-term exam, the final exam score will be recorded for both. In verifiable cases of a sanctioned absence, illness or emergency, the student is responsible for notifying the instructor of particular circumstances prior to the exam.

The mid-term exam will be reviewed in class. All exams will be kept in the instructor’s office and may be viewed by appointment.

**Evaluation:** The final grade will be computed as follows

I. Department of Modern Languages ATTENDANCE POLICY

The Department of Modern Languages at Xavier University strives to increase the student’s fluency and competency in listening, comprehension, speaking, reading, and writing while providing a solid grammatical background for the modern language offered. The focus is on a communicative and proficiency-based approach while providing an in depth exposure to the workings of both language and culture of the target language. A significant key to success in a modern language course which teaches a skill and moves at a fast pace is regular class attendance. The entire range of the students’ skills can be evaluated only if they are in class and participating. Therefore, we will allow NO absences without penalty. Attendance will be accurately documented to ensure fairness in enforcement. If a student is more than 5 minutes late, he/she will be COUNTED AS ABSENT. Students are strongly discouraged from scheduling appointments /interviews during class time!

There is a strict NO MAKE-UP POLICY. A grade of zero will be given for any missed work.

II. ACADEMIC HONESTY
You should be aware of the University policy on Academic Honesty, as stated on the Web site. This policy applies to all courses in the Department of Modern Languages.

"All work submitted for academic evaluation must be the student's own. Certainly, the activities of other scholars will influence all students. However, the direct and unattributed use of another's efforts is prohibited as is the use of any work untruthfully submitted as one's own.

Penalties for violations of this policy may include one or more of the following: a zero for that assignment or test, an 'F' in the course, and expulsion from the University"  

Your instructor may use plagiarism detecting software, such as Turn-It-In, to review your written assignments. Help on specific homework from a tutor is also considered a violation since your work is yours not the tutor's; tutors can help with general questions and grammatical problems; they are not to correct work that is going to be submitted for a grade. Copying homework from a classmate, copying from internet sources including translation services, will be considered violations. As you can see, penalties for violations can be severe, so you are encouraged to submit only your own work in all your classes.
