MUSKETEERS WIN DEDICATION GAME

**DR. C. PHILLIPS,
NOTED LECTURER,
ADDRESSES 400**

"For the Pleasure of Their Company," is Topic.

DR. YOUNG NEXT SUNDAY.

Speaker Gives Intimate Account of Personal Contacts.

Many University of Notre Dame alumni and former students joined with St. Xavier College alumni and undergraduates in giving a hearty welcome to Dr. Charles Phillips, Professor of English, University of Notre Dame, when he spoke at the Hotel Sinton, Sunday evening, under the auspices of the St. Xavier College Alumni Association.

Dr. James J. Young, Professor of English, St. Xavier College, will grace the speaker's platform, next Sunday evening.

Over 400 persons were in attendance at the lecture. Oregon B. Moorman, president of the St. Xavier College Alumni Association, served as chairman.

Traces Experiences

Tracing his travels and experiences over two continents, from California to New York, from America to Italy, France, Poland and Russia, from London and Paris to Rome, Florence, Warsaw and Kiev, Dr. Phillips gave intimate recollections of many of the most famous world figures in our time. This discourse, however, was more than a mere recital of incidents and meetings. It was a continuous story, strung out on a thread of related experience that made of the whole a distinct pattern. The speaker began by recounting his meeting, as a boy, with the famous Polish tragedienne, Modjeska. From that one experience, as he showed, sprang a long series of like experiences. It was Modjeska who brought him to California. In California he became an intimate friend of Obamas Warren Steadler and Ida Coulbrieh. Through these friendships he made a contact with such figures in literature as Robert Louis Stevenson, Jacques Miller, Rudyard Kipling, Bret Harte, Mark Twain and Jack London, and all of these he had recollections or stories to tell that have perhaps never been told before. Whitier, Tennyson, Longfellow, the Rossetis, Carmen Sylva, even Lord Byron, Aubrey de Vere and Wordsworth, thus came into the picture, so far back did these contacts reach.

XAVIER DEBATERS RETURN FROM TRIP

Lose to Marquette; Win from St. Viator and Loyola.

The St. Xavier College debating team terminated a successful trip of three days with a victory over Loyola University at Chicago, Friday night. The team lost at Marquette University, Wednesday night, but defeated St. Viator College at Bourbonnais, Ill. Thursday night.

The personnel of the team included James E. Quinn, Edward J. McGrath and Edmund D. Doyle. The faculty director of this team is Rev. John F. Walsh, S. J., professor of philosophy, St. Xavier College.

Uplifted Negative

The team upheld the negative of the question "Resolved: that the United States cease to protect except after formal declaration of war private capital invested in Latin America" at each of the debates.

The next debate in which the team will participate is at John Carroll University, Cleveland, O., March 18. The subject will be "Interference at Nicaragua".

NEW FIELD HOUSE PRESENTED TO COLLEGE; ST. XAVIER-U. C. GAME CLOSELY CONTESTED

ST. XAVIER FIELD HOUSE

Above are shown the St. Xavier Field House and the men instrumental in the dedication last Wednesday evening: Gregor B. Moorman, president of the St. Xavier College Alumni Association; Dr. Frank W. Chandler, dean of the College of Liberal Arts, University of Cincinnati; Walter S. Schmidt, president of the St. Xavier Athletic Council and donor of the Field House; and Rev. Hubert F. Brockman, S. J., president of St. Xavier College.

By George E. Whitler.

Walter S. Schmidt, dean of '05, chairman of the St. Xavier College athletic council and prominent Cincinnati realtor, was paid formal tribute by 10,000 Cincinnatians last Wednesday evening at the dedicatory exercises of the new \$325,000 St. Xavier College field house made possible by Mr. Schmidt's magnificent generosity.

Prominent educators, college and university executives, directors of physical education, and men of civic stature attended and paid tribute to St. Xavier College's generous benefactor.

Coch J. Meyer's Musketeers made it a perfect evening from a St. Xavier standpoint by defeating the University of Cincinnati basketball team, 20 to 26, in the dedicatory day game. The university team won the Buckeye Athletic Association championship and ranks among the leaders in the Ohio Conference.

Presentation Address.

The exercises of the evening opened at 8:30 o'clock when Gregor B. Moorman, president of the St. Xavier College Alumni Association, made the presentation address on behalf of Mr. Schmidt.

"The giver seeks no fame nor glory, but is content in his humble realization of the good he has wrought," Mr. Moorman said in reference to Mr. Schmidt.

"We are next tonight to present and dedicate this wondrous field house and to honor him whose bounty built it. In so doing we cannot but realize that it is beyond our power to add to the glory or fame either of the gift or the giver. For us, therefore, it remains only to dedicate ourselves to the emulation of St. Xavier's magnificent benefactor," Mr. Moorman said.

Acceptance by President Brockman. A severe cold prevented Rev. Hubert F. Brockman, S. J., president of St. Xavier College, from delivering his acceptance address. Rev. John F. Walsh, S. J., professor of philosophy, St. Xavier College, read the address which Father Brockman had prepared.

"In the name of St. Xavier College and the Board of Trustees, I accept with gratitude and deep appreciation

the gift of this magnificent field house," Father Walsh read.

"The solid and spacious fabric of the field house is typical of the boundless devotion of this Xavier alumnus to his alma mater.

"Its perfect adaptability to the needs of the students of the college will stand as an enduring memorial of the loyalty to the student body of one who has always been their best friend in need.

"I dedicate this structure to the physical, moral and inspirational education of the student body. May it carry on under the purposes and ideals set for it by him who conceived it and planned it and then gave it for this use.

"We are grateful to the Board of Trustees of the University of Cincinnati for this fine compliment in coming to St. Xavier for this dedication. We thank the representatives of colleges and universities who are here, for coming from all quarters to do honor to St. Xavier College and to rejoice with us on this happy day," Father Walsh said in conclusion.

Dean Chandler Speaks.

Dr. Frank W. Chandler, dean of the University of Cincinnati College of Liberal Arts, followed Father Walsh on the speaker's program.

"On behalf of my colleagues of the University of Cincinnati I bring hearty congratulations," Dr. Chandler said.

"We rejoice with you in the acquisition of this splendid gift. We rejoice that one of your devoted alumni should so generously have provided and equipped this structure for the benefit of your students, friends and guests. We appreciate the honor you have done us by inviting our co-operation at the dedicatory exercises. May the best team win," Dr. Chandler concluded.

The college also received hearty felicitations from Dr. Herman Schneider, president of the University of Cincinnati, who was present with the dedicatory group but was unable to attend the games.

Victory is Uplifted.

The basketball game that followed is history. The 28 to 24 victory of the Musketeers over the Bearcat was received as one of the major aspects of the season in sport circles.

From the opening blast of Referee

Dave Reese's whistle to the final bark of the time keeper's gun there were no moments which would allow a spectator's mind to deviate from the masterful playing of both teams on the floor down in front.

Xavier Trails at Half.

After trailing at the half by a 14 to 11 score, St. Xavier took the floor with added determination in the second half.

The Musketeers were used to coming from behind to snatch victory when defeat seemed inevitable. Taking advantage of the "breaks" it was readily discernible to the spectators that the St. Xavier five would push victory to the limit in the final quarter of play.

The score was tied at 21, 23 and 23 all. Two goals in the last four minutes of play gave St. Xavier a hard-earned victory over the University team.

No Stars.

To attempt to pick individuals who did most for the St. Xavier cause would result in the naming of every Musketeer who took the floor that evening against Varsity. Each player gave his best every minute of the game.

For the University the efforts of Captain Bolton, Johnson and Early stood out.

The dedicatory game closed the careers of Captain Andy McGrath, Bob King, Early Burns, John Williams and Dan Toban on the local court.

MISS HINKLE SPEAKS AT ORIENTATION

Discusses "Drama and the Art of Beautiful Speech."

"The English, German and especially the French stage are superior to the American in the matter of voice and diction," Miss Helen Hinkle, affiliated with the Cincinnati Dramatic League, said in an address before students of St. Xavier College Tuesday on "Drama and the Art of Beautiful Speech."

"The comparative neglect of Shakespeare and the classics in dramatic training and in amateur or 'little theatre' productions should be remedied," Miss Hinkle said.

"We should note with concern what the deteriorations in speech are doing to our theatres, public speakers and other professions involving oratory."

Testimony of Professionals

Miss Hinkle cited testimony of noted American, English and French actors and actresses as to the value of beautiful voice and diction.

Miss Hinkle quoted Sarah Bernhardt, Mrs. Fiske, Julia Marlowe and other renowned actors and actresses during her lecture.

Dr. P. K. Biegel will speak on the medical profession at next Tuesday's lecture.

MOTTO — TO SERVE XAVIER

An Outline of Policy—

With this issue, a new staff takes charge of The Xaverian News. It is a thankless job, this business of editing a college paper. The average collegian reads the paper with a certain amount of egotism, forgetting that this same issue which serves him must serve every other student upon the campus. That which concerns him, he regards as news; all else is simply unimportant.

John Jones, president of the Dramatic club, does not quite understand why the notice of his club's meetings received only five inches of space on the second page, while something about the musical organization received twice as much. And Tom Smith, stellar halfback, disdainfully inquires why he received but a line for his eighty yard run Saturday, while one of the guards received a whole paragraph of recognition. Thus it is, throughout the entire school year.

We do not enter upon this office with hope of honor, or with dreams of meriting the plaudits of the student body, but because of an irresistible liking for "copy", blunt pencils, and the aroma of printer's ink. We are fully cognizant of the fact that whatever course we choose to pursue, it will arouse antagonism. Therefore, we are resolved to SERVE XAVIER and to give our every effort to the carrying out of this resolution.

The news columns of The Xaverian News will inform; the editorial columns will comment, interpret, and to a certain extent furnish guidance to student opinion. The news columns of each issue will be impartial. The editorials, however, will be downright expression of opinion. The editorial writers, in their official capacities, will not pretend to be neutral. They will have taken sides; have made a stand, and will speak unequivocally. In borrowing a statement from a great current newspaper in speaking in reference to its editorial policy, we change it somewhat and say: "Here you will find just what we think about the things that are happening on the campus."

In taking over the editorship of the NEWS, we congratulate our predecessors Messrs. Wheeler, McQuaid and their associates for the fine manner in which they have managed the paper during the past year. It is our sincere hope that we will be able to carry on. The criterion which they set was high, but we shall endeavor to keep the same standards.

We solicit the co-operation of the entire student body in the continuance of The Xaverian News as a peppy, optimistic college newspaper. We realize that unless each and every student is favorably disposed toward us, we cannot accomplish anything.

As we see it we hold these columns of The Xaverian News in trust for the students of the college. If we permit them to degenerate into fault-finding, bigoted rantings, if they are not filled with fresh news accurately and sensibly written, we have not achieved our purpose. To the fulfillment of that trust, to the furtherance of everything that will redound to the benefit of St. Xavier college, in so far as our judgment and discrimination will permit, we of The Xaverian News pledge you our word.

Dedication Game—

The game is over. As one of the best athletic exhibitions ever presented to a Cincinnati public, it will always remain in our memory. Congratulations are due to all of those persons who were in any way connected with this "event of the century."

We congratulate the players of both the University of Cincinnati and the St. Xavier College for the exhibition of a fine brand of basketball and exceedingly good sportsmanship. We congratulate the officials who rendered such unbiased decisions. We congratulate the student body and the supporters of both institutions for the good conduct displayed. We congratulate the executive officers of both the University and the College, through whose efforts the playing of this game was made possible. We congratulate the personnel of both bands, whose splendid rendition of their school airs enlivened the affair. And above all, we extend our heartiest and sincerest to Mr. Walter S. Schmidt, to whom St. Xavier college owes the existence and equipment of the magnificent Field House.

Debating Team—

The St. Xavier College Debating Team made an imposing record during the past week, with victories over Loyola University and St. Viator College, and a defeat by a slight margin at the hands of Marquette University.

We congratulate the personnel of the team for the defense of their laurels against all comers. It has carried the colors of our Alma Mater far afield, and has brought fame to St. Xavier in forensic fields.

Judging by the success that has crowned their efforts thus far this season, we have every reason to believe that they will emerge victorious in succeeding contests. We congratulate the team and wish them every success.

ALUMNUS TRAVELS

John Finnigan, St. Xavier alumnus and now affiliated with a railroad company at San Francisco, Cal., came all the way from the coast to see the Musketeer-Deerfoot basketball game. Finnigan was surprised at the tremendous growth of the college since the time of his enrollment. Finnigan was one of approximately a hundred alumni who came from various sections to Cincinnati for the field house dedicatory exercises.

ALUMNI BANQUET

The annual St. Xavier College alumni association banquet will be held on Thursday evening, April 19 at the Hotel Dayton, George E. Maginn, chairman of the arrangements has announced.

Gregor B. Moorman, president of the alumni association will arrange the speakers program.

OHIO UNIVERSITY — (OCMA)—A men's musical comedy organization has been formed by students of Ohio University. The organization is composed by the Men's Glee Club and the male members of the dramatic club. The first production, which will be given early in March, is to be "Hello Happiness," a musical comedy written by students. Men will take all female parts, including both leads and choruses.

ST. XAVIER'S 1928 COURT SEASON IN RETROSPECT

Team Won Seven and Lost Three Games.

By John Nelson.

Basketball season now being over, it is a fitting time to catalogue the feats of our team composed of Corbett, Windig, Stevens, Moran and Mercurio.

Starting off the season with one setback, Capt. Mercurio, St. Xavier's green squad lost their first two games, the Alumni and St. Mary defeating us. The Blue and White showed marked improvement in the next game and upset the dope by trouncing the strong Elder quintet.

This was the beginning of an extensive winning streak. Aurora, Ind. was the next team to fall and then St. Gabriel, St. Joseph, Y. M. C. A. High, Hamilton Catholic High, and St. M. The last named victory was the only defeat suffered by the Hyde Park school during the season and it completely avenged their win over us earlier in the year.

The last game was indeed a thriller and the best game of the season; Elder High beat St. Xavier, 18 to 13, in OTB overtime periods, by making two foul shots in the last minute.

Much credit is due to Coach Savage. Taking inexperienced men, he developed them from an awkward squad into a smooth-running piece of basketball machinery. The defensive ability of Xavier was unshakable and practically all the scores of the opposing teams were low.

Although possessing a fine passing attack the team did not have the ability to run up many points in games. The important battles of the year were

ANDREW WINDIG ILL

During the past week news was received of the serious illness from heart-failure of Andrew Windig of Class 4-A. It is a pity that this should follow so close upon Andy's glorious work during the High School basketball season. All his friends at St. Xavier High School wish him a speedy return to health.

all games where the best defensive team came out ahead.

Corbett was high scorer for Xavier with 97 points, an average of 9.7 points per game. Moran was next with 47 points and then Mercurio with 43. These men played important roles in the success of the team, but by no means could they have run up this many points had not Stevens and Windig aided them by their pass-work.

Every man on the regular squad will receive a letter for their efforts in upholding the honor of Xavier on the hardwood. The following are the honored ones: Capt. Francis Mercurio, William Stevens, Daniel Moran, Daniel Corbett, James Griffin, John Hooty, Clifford Meiners, Herbert Tomfeldt, Arnold, Soutley, Harold Landerswiltch, Andrew Windig, Moellering, and the student manager, John Nelson.

The individual offensive record of the squad is as follows: Corbett, 97, Moran 47, Mercurio 43, Windig 33, Stevens 28, Hooty 17, Soutley 13, Griffin 12, Landerswiltch 5, Meiners, Moellering and Tomfeldt 3.

The scores of the games are:
 Xavier, 29; St. Mary, 29.
 Xavier, 21; Alumni, 28.
 Xavier, 33; St. Gabriel, 21.
 Xavier, 25; Aurora, 19.
 Xavier, 15; Elder 14.
 Xavier, 28; St. Joseph, 15.
 Xavier, 27; Y. M. C. A. High, 18.
 Xavier, 19; St. Mary, 18.
 Xavier, 24; Hamilton Catholic, 26.
 Xavier, 18; Elder, 18.

SEVEN SPEAKERS TO COMPETE IN ORATORY CONTEST

To be Held Friday in Memorial Hall.

PUBLIC INVITED.

Gold Medal to be Awarded to Winner.

Last year the students and numerous friends of St. Xavier High School were very enthusiastic about the possibility of an Oratorical Contest in which members of the Senior and Junior classes would compete. After the contest the comment was so favorable as to the excellence of quality of speaking shown in the contest, that it was decided to repeat it this year.

An oratorical contest is a greater task to the participants than the usual declamation contests. For the orator must not only be able to speak well, but he must also possess the literary ability which will warrant a fine flowing style to the oration. Consequently the oratorical contestant must spend many hours in preparation.

But the reward! Ah, there's the rub! The candidate receives the respect and silent admiration of the entire student body—he is one of THE orators in the school.

LEAHY REQUIEM

On Thursday at 6:15 a requiem High Mass was said in the High School Chapel for the repose of the soul of Rev. George Leahy, S. J., who died recently in St. Louis. Fr. Leahy was for many years an instructor at the High School.

The student body attended the services and received Holy Communion.

The orations submitted by students in the Senior and Junior classes, the task of squaring last year's contest will devolve upon six Seniors and one Junior. Two of these Seniors were presented in the contest of last year—Edward Broeggeman and John T. Anton. The latter was awarded the medal. For the remaining five, however, it will be the first time as contestants in an oratorical contest.

The following is a list of those who will deliver orations, and their topics: Edward Broeggeman, "An American Question."

William J. Muchlenkamp, "Marquette and Joliet."

S. Arnold Scully, "Theodore Roosevelt."

Edward B. Menckhaus, "Service and Sacrifice."

Robert J. Reitz, "Shall We Arm?"

Louis A. Feldhaus, "The Possibility of World Peace."

John T. Anton, "An Epic Figure."

Judging from the success of last year's contest, and the fine array of talent, we look forward to a large and appreciative audience on Friday evening, March 16. The public is invited.

CLASS 3-A WINS NOON LEAGUE CHAMPIONSHIP

3-A Defeats 4-A in an Exciting Contest.

By James Griffin.

The Noon League closed last Thursday with a bang when 3-A defeated 4-A, 10 to 8, to win the title. The game was featured by the defensive playing of both clubs especially that of the third year team. Steinkeamp was high-point man for the victors and Griffin, for the losers. Steiner's defensive playing was far superior to any other on the floor. He was guarding Corbett, the gun of the champions, and did not allow him a single point. Nolan, of 4-A, played a fine passing game as did Mercurio and Corbett of the victors. 4-A won the right to play this team by defeating 4-C, 8 to 4, in a slow but roughly played game on Monday. In the contest Burke and Nolan looked best for their respective clubs, 4-C and 4-A. The line-up of the championship game follows:

3-A	P.O.	P.T.	T.P.
Mercurio	1	0	2
Corbett	0	0	0

How Egan engaged Roosevelt in a study of ancient Irish literature, and how Yeats, the Irish poet, enjoyed his adventures during his visit to America, were told with much humor. XAVERIANS TO SPEAK

Rev. James R. O'Neill, S. J., pastor of Bellarmine chapel, St. Xavier College, will speak on the "Irish Race", and Raymond T. Dab, liberal arts senior, will deliver his oratorical address, "Robert Emmet, Irish Patriot", at the St. Patrick's Day dinner of the Irish Fellowship Club next Saturday evening, at the Hotel Alms.

Miller building the first monuments to Adam—these and a host of other pictures and stories, made up the speaker's narrative, each picture unfolding another, the whole making a chapter of intimate revelations that gave the audience a new light on many of the most famous men and women of the age.

TO ATTEND CONVENTION

Gregor H. Moorman, president of the St. Xavier College Alumni Association, will attend the 1938 Convention of the National Catholic Alumni Federation at the Waldorf-Astoria Hotel, New York, on April 20, 21 and 22. Mr. Moorman will be the delegate from St. Xavier, and C. C. Bridwell, a graduate in 1906, who is at present residing in New York City, will be alternate.

Representatives of forty-five Catholic college alumni associations are expected to attend the convention, which will be opened by Cardinal Hayes. According to Edward S. Dove, president of the Alumni Federation, the convention promises to be notable in the progress of Catholic alumni organizations in the United States.

CAVALRY WORK

Captain Roy L. Green, 187th Cavalry, C. N. G., announced that approximately 20 St. Xavier College undergraduates responded to his invitation to come to the Hillen Street Armory and learn the fundamentals of cavalry work Tuesday night. It is Captain Green's plan to organize a special St. Xavier College platoon.

AT MEETING

Joe Meyer, athletic director, and John W. Devaney, graduate business manager of the college, attended the annual spring meeting of the Ohio Conference Coaches and Managers' Association at Columbus, O. The basketball schedule for the next season will be arranged at the session.

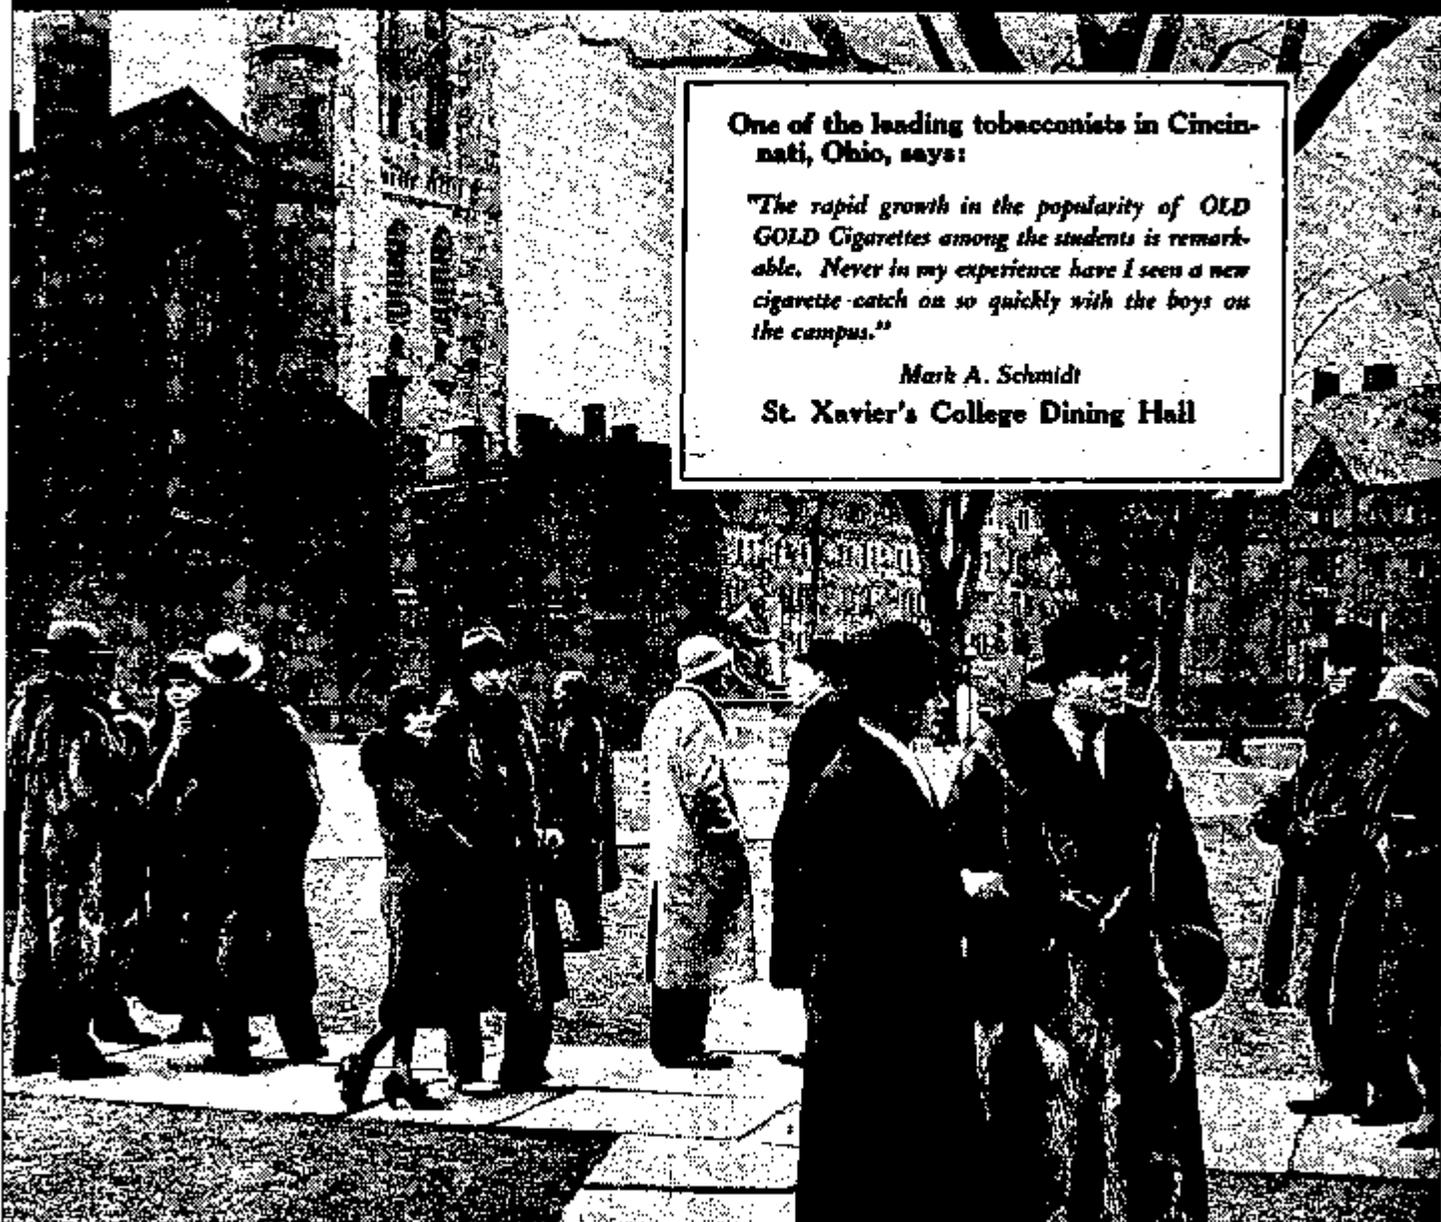

FATHER LILLY SPEAKS

"Besides knowing the Catholic religion well, students interested in correct work need a new psychology—the knowledge of the non-Catholic mind, and the methods of appealing to it intelligently and emotionally," said Rev. Warren Lilly, S. J., at Chapel yesterday morning.

Father Lilly made a plea to the students to assist him in placing the Catholic religion before the non-Catholics of Cincinnati. Father Lilly is giving two lectures a week, on Sunday and Thursday evenings at 7:15, at the Furbush, Fifth street.

Ralph Leeds, father of Ray Leeds, junior and member of the varsity basketball squad, rolled a perfect score while bowling in the EC's League recently. The 300 score was the second to be rolled in Cincinnati this season.
