Succumbs to Xavier Onslaught. Great Potential Strength is Displayed by Musketeers; Sophomores in Contest.

By George E. Wheeler.

Displaying a fair amount of ability and a greater potential power the St. Xavier College grid team opened the season in the new \$300,000 stadium last Saturday with a 19 to 2 victory over Transylvania College of Lexington, Ky. The Musketeers galloped to touchdowns in the first, second and final periods to score a hard earned victory over Coach Jim Blam's team. The Pioneer score came in the third quarter when Captain "Chip" Cain elected to score a safety to protect his goal line. Eight letter men and three sophomores were in Coach Joe Meyer's starting line-up. Before the final gun sounded every one of the starting players had been replaced by a substitute and the Musketeers were going strong at the finish—something that counts in football and will be a valuable asset in winning tougher games later in the season.

Played as One.

To pick the outstanding individuals from the Musketeer line-up is a ticklish proposition. The players played as a team—one for all and all for one as their appellation designates.

Captain "Chip" Cain

Capt. Cain picked players with rare judgment and made few mistakes. The team seems to be in a good way for field-generals this year with Pat McCarty and Lloyd Deddens at reserve men for Cain. F. O'Brien led the St. Xavier play-acting and punting. His punting was fair and should improve as the season progresses. John McArthur and Harry Foley indicated ability that stamps them as "boners" of St. Xavier. McArthur gained consistently and shook off Transylvania tacklers viciously. Foley ran 76 yards in the fourth quarter down the side-lines for the most spectacular play of the game. On the line "Boob" Bolph, tackle, and Jim Bolger, guard, were big backs. Ed O'Hara and Jim Phillips played a creditable game at the flanks and St. Xavier seems destined to have a stronger pair of ends than was expected.

Best for Transylvania.

Ernest Crutcher, Truzy half-back, was the big thorn in the side of St. Xavier. The dashing Pioneer back gained many yards on off tackle plays and punted the invaders out of danger a number of times.

Captain Wood, tackle, and "Stuffy" Maxwell, center, lived up to advance word as to their ability. Falkenstein at guard also showed well. Haseldon bore the brunt of the line-mauling play for Coach Blam's gridlers.

The Musketeer first score of the game came late in the opening period. O'Brien and Markiewicz alternated in thrusts at Truzy's line and St. Xavier took possession of the ball on the invaders 28-yard line after Crutcher punted from behind his goal. O'Brien carried the ball to the visitors' four-yard line and Markiewicz carried the ball over the last white stripe for St. Xavier's first score of the year. O'Brien's kick for the extra point was blocked.

Flashes of Form.

Tom Daugherty got into the game during the second period and exhibited flashes of form that brought the spec-

Homecoming Day To Be Featured By Novel Entertainment

Appointment of the chairman for the ANNUAL Homecoming Day celebration at the college will be made at the quarterly meeting of the St. Xavier College Alumni Association, this evening. Homecoming Day will be observed November 24 when West Virginia Wesleyan plays its traditional game with the Musketeers. Many novel entertainment features will be arranged to welcome graduates and students.

Many classes will have reunion luncheons and dinners Homecoming Day. There will be a separate section of the stadium set aside for the alumni class delegations.

The social functions of Homecoming Day will be managed by a joint committee of alumni, athletic council members, and undergraduates. There will be a dance in the evening at the Hotel Alton.

REV. M. P. O'BRIEN RECEIVES HONOR

New Monsignor Received Degree At St. Xavier.

Rev. Matthew Patrick O'Brien, pastor of St. Patrick's church, Northside, was invested as monsignor at special exercises, at which the archbishop, Most Rev. John P. McMicholac, O. P., officiated, Sunday afternoon.

Father O'Brien received his bachelor's degree from St. Xavier College in 1883, and subsequently received a Master of Arts and a Doctor of Philosophy Degree. He is widely known in Catholic circles in his archdiocese of Cincinnati, being prominently identified in recent educational expansion programs.

Excellent Orator.

Father O'Brien's reputation as a pulpit orator and lecturer has spread far and he frequently must refuse invitations to speak since he regards his parish work as of primary importance. He was instrumental in the new organization of the system of Catholic education in the archdiocese of Cincinnati, and has served in an advisory capacity to various educational institutions in the city.

St. Patrick's Church was over-crowded at the investiture of Father O'Brien. A special choir of seventy-five voices under the personal direction of Charles P. Wheeler, former editor of the NEWS and a graduate from St. Xavier in 1925, assisted with the ceremonies which were characterized by pomp and ceremony.

Father O'Brien was a classmate of Rev. Thomas J. Nolan, S. J., dean of men, St. Xavier College.

FRESHMAN CLASS TO WEAR "CAPS"

Appoint Committee To Arrange "Stunts".

Members of the Freshman class unanimously voted to provide themselves with "Freshman Caps." Andrew Schmidt newly elected class president, has disclosed.

The class will obtain the caps some time this week so that they may have a distinguishing mark at the St. Xavier-Mercersburg State game Saturday.

A committee consisting of William Muschickamp, Ray Humber, John Bog, William Scanlon and Bernard Phelan has been appointed by President Schmidt to arrange some novelty to be featured at the Homecoming Day game with West Virginia Wesleyan University.

TO BE INVITED

The Xavierian News will receive a formal invitation to send representatives to the annual meeting of the National College Press Association which will be held November 16 and 17 at Purdue University, Lafayette, Indiana. E. Wirt Russell, editor, has been advised by Sherrill E. Leonard, executive secretary and vice president of the association.

"How To Study" Is Topic Discussed At Orientation

Rev. Daniel M. O'Connell, S. J., Dean of the College of Liberal Arts, St. Xavier College, spoke at the first Orientation Class held for freshmen, Tuesday. Dean O'Connell discussed "How To Study," giving a systematic outline of the best methods for study. The use of notes, group study, private study, and various methods were all included in the scope of Dean O'Connell's lecture.

Orientation speakers within the year will include prominent Cincinnati business and professional men and women. The classes are open to freshmen and upperclassmen.

CLEF CLUB DANCE OCTOBER 20TH

Charles Eisenhardt is Chairman of Entertainment.

The Clef Club, student musical organization at St. Xavier College will give the first frolic of the season in Recreation Hall on the campus, Saturday evening, October 20th, according to information obtained from Charles Eisenhardt, chairman of the entertainment committee.

Eisenhardt has indicated that the dance is the first of a series of social activities which the Clef Club will sponsor during the year.

To Appoint Committee

John King Mische, director of the singing organization, has suggested that the committee to assist with the chairman in the arrangements for the affair would be appointed in the near future.

Robert C. Bolme, liberal arts senior, is president of the club.

BOLGER IS ELECTED FRESHMAN CAPTAIN

Coach Tehan Training Large Yearling Squad.

Cyril "Dutch" Bolger, a graduate of St. Mary's High School, Hyde Park, was elected captain of the St. Xavier College Freshman football squad, Tuesday.

Bolger, who is an all-around athlete, served as basketball captain at the Hyde Park school last season. He mentored all-Cincinnati honors for the center position among secondary schools. He is a four-year man in high school football, and was always rated as a prep school star.

He is the brother of "Jim" Bolger, star guard on the Musketeer varsity eleven.

Large Squad.

Don Tehan, former star lineman at St. Xavier, is coaching the Freshman this season. Coach Tehan is highly pleased with the showing which the yearlings have made in giving the varsity scrimmage.

Coach Tehan's squad, which was large at the beginning of the season, has been augmented by the coming out of several players who registered late.

Mrs. William Wilke, mother of John W. Wilke, liberal arts senior, submitted to a surgical operation, Sunday. Mrs. Wilke is reported as doing nicely.

Alumni Plans For Fall And Winter To Be Discussed

Quarterly meeting of the St. Xavier College Alumni Association will be held at 8 o'clock tonight in Recreation Hall on the campus. Gregor B. Moorman, president of the association, has announced.

Plans for concentrated support of the football team at all home games will be discussed. John W. DeVanney, graduate manager of athletics, will place before the alumni a plan by which better support can be given to St. Xavier athletics.

Home-coming Day plans will be considered at the meeting. Home-coming Day this year is scheduled for November 24 with West Virginia Wesleyan University as the attraction at the annual football game.

UNION HOUSE TO BE IMPROVED

Expansion Program Sponsored By Student Council.

Recreational facilities in the new Union House, in Recreation Hall, on the St. Xavier College campus, will be unimpaired if contemplated improvements are carried out, Rev. John J. Sullivan, S. J., faculty director of the recreation center, has indicated.

Polley Sullivan is considering the addition of one or more pool tables, the complete reconditioning of the bowling alleys and a general improvement program.

Funds for the actual upkeep of the Union House will be derived from the sale of tickets to all-students who wish to avail themselves of the facilities there.

Supervision of Council.

The Union House is under the supervision of the Student Council, student governing body, which unanimously voted that tickets should be sold to as many students as possible so as to finance the Union House.

The senior class, setting a precedent for other classes, voted to buy a block of tickets so as to encourage their early disposal.

Is Large In Other Departments.

School of Commerce; College of Law Classes Held in Evening; Late Afternoon Classes.

Both the School of Commerce and the College of Law of St. Xavier College are serving an unusually large number of students this semester the official registration statistics revealed by William T. Burns, registrar of the down-town departments indicates. Class sessions in both departments are held at the Seventh and Sycamore streets buildings of the college.

Classes in the late afternoon and Saturday conducted under the auspices of the College of Liberal Arts opened Monday at the down-town buildings. A large registration of names and lay students indicates that the special classes are more popular than ever before. Regular professors of the liberal arts faculty and a number of special instructors are included on the faculty list for the late afternoon classes.

Executive Officers

J. D. Cloud, prominent Cincinnati attorney, is dean of the School of Commerce. Rev. George R. Kistler, S. J., is regent of the School of Commerce and the Law School.

Edward P. Moellinger is dean of the College of Law. Mr. Moellinger is one of Cincinnati's best known attorneys. He has served as dean of the College of Law since its inception in 1919. Julius Sautschek is vice dean of the law department.

Numerous business and professional men are included on the faculty of the School of Commerce. The faculty is the largest ever to serve the college. Out-of-town specialists will lecture on special phases of business administration during the first semester. Courses taught at the School of Commerce are entirely independent from the classes in business administration of the College of Liberal Arts.

Prominent Faculties

The work of the School of Commerce is distinctly practical. Its aim is to educate the student in the methods of present day business. The courses of instruction are so selected as to illustrate principles and facts which the student can grasp and as a consequence determined upon the best business methods.

Jurists and members of the bar of Cincinnati and Covington are included on the College of Law faculty. The aim of the school is to give students a thorough training, both theoretical and practical in all branches of the law. Professors have been chosen because of success in their special field. The law course is four years of forty weeks each, three evenings a week.

Both the School of Commerce and the College of Law class sessions are held on Monday, Wednesday and Friday evenings. Late registration for both schools may still be made at the down-town offices.

The officers and faculty for the School of Commerce include: Rev. Hubert P. Brockman, S. J., president; Rev. George R. Kistler, S. J., regent; J. D. Cloud, dean; Alfred W. Braun, Corporation; William E. Chancellor, Economic Resources; Ed O'Connell and Robert A. Ruffman, Advertising; William T. Burns, Bookkeeping; Elmer L. Conway, Contracts; Frank J. MOTTO — TO SERVE XAVIER

Co-ordinated—

We note with approval the announcement that the activities of the Masque Society and the Clef Club will be combined in producing a musical comedy for presentation in the late fall.

The collaborated work of these two societies, at present two of St. Xavier's most active cultural groups, is a note of progress and deserves observation for its future development. That the seed of ambition is present in both these societies is evidenced by their entrance into a new field of theatrical production requiring their combined talent.

The plan to assume their individuality again immediately following the first semester's work, is likewise commendable. It is a guarantee that the step taken will not seriously endanger their existence as distinct organizations, but will rather create a healthy competition between them, that is, competition toward perfection in their respective fields.

The precedent—now about to be established—is but an indication of the future possibilities of coordinated effort between the Masque Society and the Clef Club.

"Talk It Up"—

Snap! That's what we need. The cheering that greeted the Musketeers at the season's first gridiron tilt left several things to be desired, as far as the student section is concerned. The snap, the sharp rhythm that should characterize college yells was noticeably absent. The spontaneity that prompts a continual "talking it up" was found only in the cheer-leaders. Volume was good when the right incentives took place but the effect was sacrificed to sluggishness caused by failure to follow the leaders.

The cheer-leading is in capable hands. The 1928 Musketeers are second to none in fight and spirit. St. Xavier has every prospect for a banner year. It is our duty to be highly organized.

The Cheer-leaders are there for a purpose. When they call for attention they should get it, and their subsequent timed actions should be followed closely. Enthusiasm and pep should make pause their frequent pleas to "talk it up". Xavier deserves every student in the stands giving his best for the Musketeers.

Cheer — snap it out — and mean it.

Dr. Paul J. Menge, Professor of Languages, Has Had Interesting Career

By William Wise.

Dr. Paul J. Menge newly appointed professor of languages at St. Xavier, comes from Aachen, Germany. Although he has only been in the United States for about three weeks, he has so far been very much impressed with what he has seen. When asked whether he noted any difference between students of American and German colleges, Dr. Menge said: "Boys are pretty much the same the world over, except that in Germany, college students seem to be inspired with a greater desire to learn. They display more energy, and what they learn they learn for life."

Dr. Menge received his Bachelor of Arts degree at the University of Bonn in 1908. From there he went to Heidelberg, where in 1910 the degree, Doctor of Philosophy was conferred upon him. Leaving the University, he served for one year in the German army, and then launched upon his teaching career. Dr. Menge considers military training very beneficial, inasmuch as it teaches strict and absolute discipline.

War Service.

After serving in the army Dr. Menge was appointed to the faculty of the Gymnasium at Coblenz, where he taught English, German, French and Latin. He continued teaching until he was recalled into military service during the late World War. He was given the commission of lieutenant and placed at the head of a company of two hundred men. During the war he was wounded once in the shoulder by a piece of flying shrapnel. Dr. Menge received five decorations for distinguished service during the war, including the Iron Cross of the first and second orders.

While the United States troops oc-

cupied Donauort near Verduno, Dr. Menge gave lessons in French and German to American officers. These officers narrated to their tutor the wonders of the New World, and especially those of the United States. All this inspired Dr. Menge with a desire to visit America and see some of these marvels for himself. However, this desire was not to be fulfilled until August 29, 1922, when he set sail from Germany for his first trip to the United States. That desire to see something of America blossomed for ten years only to flare up anew.

At the close of the war Dr. Menge resumed his duties as professor at Coblenz where he taught until last spring. Thus all in all, he has taught at Coblenz for fifteen years, and has made quite a reputation for himself as an excellent teacher.

Method of Teaching.

In explaining his method of teaching a language in the class room, Dr. Menge referred to it as the direct method. That is, he speaks the language in class, thus acquainting the students with conversational usages and idiom.

"This," he said, "is the only way in which a foreign language can be mastered. Of course, it requires much work and private study, but then at the end of the course the student has a comprehensive and fairly thorough understanding of the language. Too many students study only for the degree instead of studying for the sake of knowing and understanding the language."

George E. Fery, Sr., who has been prominently identified with recent St. Xavier projects, has been a hospital patient for the past month.

ADDRESSES SOCIALISTS

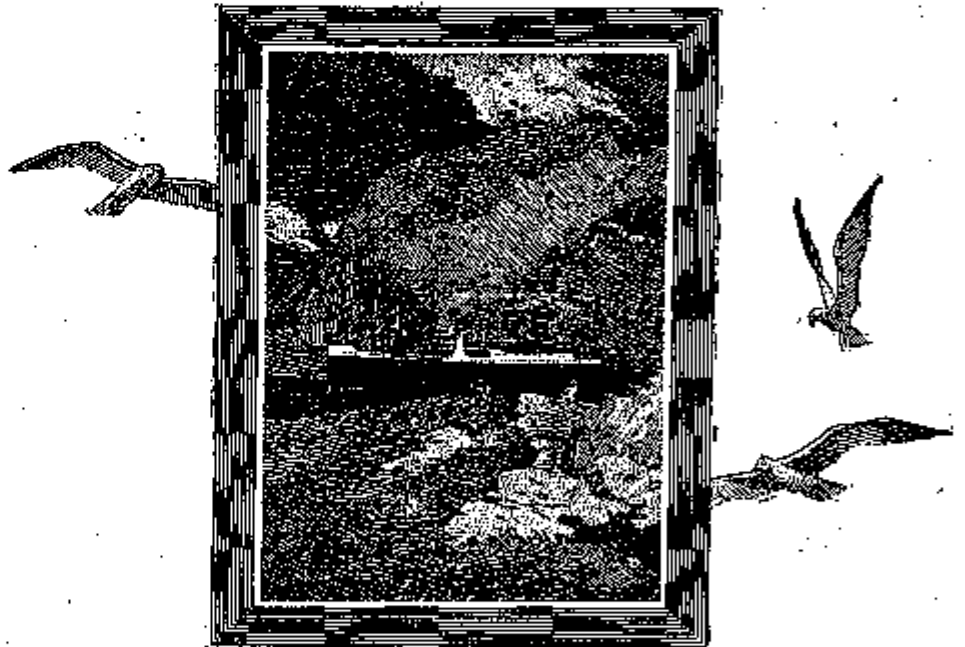

"A proper veneration for the Blessed Virgin Mary is one of the most laudable traits a college man can possess," Rev. J. J. Sullivan, S. J., moderator of the Freshman Sodality said at the weekly chapel assembly of the froth Monday morning.

OFFICES OPENED

Business and editorial offices of the NEWS have been opened in Recreation Hall. Monthly staff meetings will be inaugurated shortly. E. Wirt Russell, editor, has announced.

Executive offices of "The Musketeer" will also be maintained in Recreation Hall. Ted G. Schmidt, editor, and Robert O. Beirne, business manager, have reported that staff assistants for the year book would be announced shortly.

Rev. Francis J. Pina, S. J., widely known Jesuit priest and author, will celebrate his 65th birthday, Thursday.

Electricity opens a new era of ocean travel

Miraculously quiet and vibrationless, luxurious and swift, the new electrically operated S. S. California, largest American-built passenger ship, has opened a new era in ocean travel.

Electricity drives the California so efficiently that the fuel bill for the initial coast-to-coast trip was even less than the Canal tolls. Electricity mans the winches, bakes the bread, makes the ice, polishes the silver. And electricity cools the cabins and provides passengers with the

comforts found in the finest hotels.

Complete electrification makes the California an engineering marvel and a commercial success; it is booked far in advance, a sister ship has just been launched, and another is under construction.

On sea or land, in every walk of life, electricity is in the van of progress. Undreamed of yesterday, the electric ship is a symbol of the electrical industry's part in modern civilization and a prophecy of even greater accomplishment.

This motorship is fitted with great motors that drive the California, and on a multitude of electric appliances which contribute to the comfort of her passengers. It is a triumph of skilled engineering and high manufacturing quality.

Football Team Is Progressing.

Coach Savage's Gridgers Will Prove Formidable Foes to Opponents.

By Frank X. Brennan.

The football team representing St. Xavier High School this season will rank well up among the leaders of secondary schools. Coach Savage, mentor of the Symons Street eleven, has disclosed. The team has made rapid progress during the past week, and despite injuries to "Hal" Pennington and "Jack" Hooley, is in tip top shape.

A close observation of scrimmage during the last few days has revealed: That the team is going to have a very powerful forward wall with such men as Hooley, Mercario, Corbett, Du Buis, Lowler and Reitz.

That Bill Sellers and Bill Schmidt have developed into a pair of ends of the first water. Watch Sellers on the forward pass attack this year.

That Steinhauser's shift from end to center has not affected his ability.

That Stadler is a terror as a defensive fullback.

That Don Dixon and Lou Giacobello are lightweight packages of T. F. T. That the yearlings boast of several bone-crushing line backers.

That Mr. Savage is a master of the trying art of building football teams.

MINIMS REPORT FOR PRACTICE

Schedule Expected To Be Arranged Later.

The Minims football team of this year is slowly developing into form for the season. Mr. J. Foley, S. J., the new coach, is giving a considerable amount of his time to the direction of the team, and has expressed his appreciation of the efforts of the students in cooperating with the Minims.

Past experience on the part of three of last year's regulars and potential strength in the new candidates will greatly aid in the development of a team that will measure up to past standards.

HIGH SCHOOL LEAGUE FORMED

Will Embrace Four Cincinnati High Schools.

Representatives of St. Xavier High School, Elder High School, Purcell High School, and Roger Bacon High School attended a meeting at St. Xavier Memorial Hall last week and formulated the Greater Cincinnati High School League.

The new league which is a novel undertaking in Cincinnati will be increased to embrace more schools within the next several years, if plans are feasible. High schools of Cincinnati will compete in regular leagues in all high school sports as a result of the league.

Donations to the foreign missions from St. Xavier High School exceeded all Jesuit high schools in the former Missouri Province, statistics have revealed.

Over thirteen hundred dollars was donated in the weekly collections during the past year.

NOON LEAGUE UNDER WAY

Freshmen Display Style in Initiation Competition.

Well, the boys are at it again. Interclass competitive sports have started and the same enthusiasm and earnestness seems to prevail as in former years. These games have been going on for some time and have always held something of the highlight in sports. Boys, who are unable to make the teams which represent the High School, are given a chance to show what they can do in these contests. It looks as though the race will be tight in each year as the teams seem very evenly matched.

AA and AB opened the indoor season and displayed a good brand of ball. B blew up in the first inning and came out on the short end of a 7-3 score. AD in their contest against C had one big inning, the second, making eight runs and emerged victorious 8-6.

3-A defeated 3B in a one-sided scope of 9-1. The pitching of Kall for 3A was a great asset for that team. 3C, so far, leads third year, winning two games last week, one against D, by the score of 3-2, and one against A, 3-2. The hitting of Belasche and Schoemaker in a pinch greatly enabled C to win these two contests.

In an exciting contest 2B defeated 2A by the narrow margin of 4-3; 2D making a rally of two runs in the last inning took C into camp, while 2E easily overwhelmed 2F, 4-1.

The freshmen, displayed great style and handled themselves much better than the average freshmen teams have done in the past. Two tie games were played, 1A against 1C, and 1D evening things up with 1C in the last inning. In the other game played by the new year 1A came out on the long end of a 9-7 score over 1E.

EXCHANGE

YALE COLLEGE—(OCNA)—College aeronautical clubs will be organized into an intercollegiate aviation organization at a conference which has been called to take place at Yale October 10 and 20.

It is to be under five auspices of the Yale club. Notices have been sent to other American institutions and favorable comment received.

The question of finances, the scope of the organization, and details of its activities will be discussed at the meeting. President of the National Aeronautical Association, Porter Adams, will act as chairman.

Speakers of national reputation have been scheduled to address the meeting.

UNIVERSITY OF AKRON—(OCNA)—Team organizations of its classes which have been graduated from old Buchtel College and the University of Akron, recently met to discuss plans and formulate a campaign to raise funds to build a new Buchtel Hall on the new campus of the University of Akron.

This is the second step in the procuring of funds to rebuild the university of a campus on the edge of town to replace the old one located in the heart of the city.

Mobby was raised among the student body and faculty for the construction of a gymnasium, in a drive conducted last spring.

VASSAR COLLEGE—(OCNA)—Vassar College, at Poughkeepsie, N. Y., has just opened its 64th year with an enrollment of 350 freshmen. The college staff now has 101 faculty and administrative members, of whom 36 are new appointees.

The daughters of five college presidents are in the freshman class. They are the daughters of the presidents of Haverford College; St. Mary's College, Dallas, Tex.; Lafayette College; Purdue University and American University, Ohio Egypt.

IMPROVEMENTS

In High School Department

Are Continued—Fountains Are Installed Throughout School.

By William Kewey.

In the preceding issue of this paper there was published an article concerning the "new faces but the same old building." What a mistake! Did not the author of this account observe the new drinking fountain to be found on every floor? What a revelation! To all students excepting freshmen this improvement is extraordinary. To fact they all deem it a luxury not to have to go all the way down to the ground floor and there wait in line for hours to get a drink. Something that anyone will almost throw at you.

The freshmen certainly do not realize how fortunate they are in entering just in time to utilize the fountain. Perhaps also these freshmen did not notice the social decorations in the dining room; if they did, they did not realize their true value. But we in the upper classes acknowledge the fact that we were quite surprised to see them. It is a great improvement over last year and it is readily seen that some goal is trying his best to cheer us up a bit. In this familiar room there also has been installed a double drinking fountain, something most necessary and much to be appreciated by all who are not in the habit of using "noon jammers." It is most gratifying to see all these new improvements in the dear old building and to know that the faculty must have the true "spirit of Cincinnati" or the improvement mania. It is known for a fact that the graduates of '28 are envious of the luxurious equipment now to be found in the building, but those of that group who have gone before us to the College have little to worry concerning their surroundings.

WEINERS INELIGIBLE

The football prospects of St. Xavier High have been dealt a terrible blow. Friday morning Mr. Savage learned that Bob Weiners, outstanding veteran halfback, had been found ineligible. Bob has been with us only four terms including the present year, but it developed that he had previously spent a year at St. George High. This, of course, makes him a nine semester man and bars him from participating in athletics under the laws of the state association. Weiners can be remembered as the outstanding star of the Louisville game at Corporal Field last fall and he also did some fine playing in the Highland game. "Blackie" was expected to do great things this year and Coach Savage regrets that he shall have to change some of his plans.

DISCUSSES "FAITH"

"We should be proud of our faith, we should welcome opportunities to manifest our faith publicly and we should be ready to die in defense of our faith," Rev. Joseph Brown, S. J., said at the first chapel service in a discussion of "FAITH".

Father Brown held up practical examples of Catholicism as individuals to be emulated.

ACOLYTHICAL SOCIETY IS BEING FORMED

Mr. John Krizek, S. J., Will Serve As Director.

The Acolythical Society has resumed its duties for the coming year under the direction of Mr. John I. Krizek, S. J. If present indications mean anything this society will soon be recognized as one of the most important sections of our school. Thus far only one appointment has been made, that of Master of Ceremonies which office will be undertaken by August Jurek, '36. Election of officers will take place next week, according to the Director.

System of Appointment

In the future the Master of Ceremonies will publish a list of the boys who will serve every week. These lists will be found both in the Xaverian News and on the Bulletin board. The first year boys are cordially invited to enroll in the Acolythical Society.

The following are members:

- 4A—Harry Hess, Albert Flejmyer, and Robert Berry. 4B—Charles Kelsch. 4C—James Beck, Paul Wagner, Louis Greenaker. 4D—Jack Conroy. 5A—Robert Menkhau August Jurek. 5B—John McKenzie, Joseph Podesta. 5C—Joseph Nolan. 5D—George Engen. 5E—Ray Warner, Ambrose Lindhurst. 1C—Francis Knish, Francis Overbeck, Stanley Teitman, John Risler. J. M. 28.

RODGERS UNIVERSITY—(OCNA)

"The world's greatest need is for men and not for laws," said Dr. John M. Thomas, president of Rodgers University in his address to welcome the 450 freshmen who have entered the New Jersey institution this fall.

ALL CLASSES

Need Appeal of Juniors.

Efforts to be Made to Raise Funds to Foster Expanded Athletic Program.

Realizing that the newer athletic teams tax the school treasury to the utmost, the juniors of St. Xavier High School have made plans to finance their own teams. A certain amount of enthusiasm has been attendant upon the undertaking and the entire student body has responded whole-heartedly to the appeal.

The freshmen and sophomores have pledged themselves to sell three thousand tickets, while members of the higher classes have agreed to sell over two thousand. Such cooperation between these classes is indicative of the fine spirit that pervades the entire student body.

Tickets

Prices have been offered to the student selling the most tickets, so there is some inducement other than the willingness to cooperate with fellow-classmen.

Classes 1D, 1E, 1B and 1V, have pledged more than four hundred tickets.

The juniors will use the receipts to the furtherance of their general athletic program, consisting of all sorts of sports in which their boys of small stature may engage.

This will permit the carrying out of the general physical education program which was outlined by school authorities at the beginning of the year.

UNIVERSITY OF CALIFORNIA—(OCNA)

Gifts totaling over \$30,000 have been made to the University of California during the past month, it is reported. Five thousand of it was to bring Prof. Giuseppe Caronni of Rome to the Hooper Institute to carry on researches concerning the origin of measles.

WOOSTER COLLEGE—(OCNA)

Word has been received here that Arthur Murray, assistant coach of football and baseball at Wooster College, now on a leave of absence, attending the School of Journalism of the University of Wisconsin, has been added to the coaching staff of the Badger school.

The Musketeers finished a much more powerful attack last Saturday afternoon than even the most optimistic followers had anticipated. One thing was proved to us as a certainty and that is that there is not any weakness in the backfield. The fine work of Captain Cain, Markiewicz, Foley, O'Bryan, Schaefer, McDevitt and Daugherty was certainly encouraging to the Blue and White supporters. The fact that Transylvania was stronger this year than in any of the past few years only adds greater strength to our optimism, although we are not yet ready to make any advance predictions on the inter-sectional games yet to be played. There are still many rough spots that will have to be ironed out by Coach Joe Meyer before the Xavier season will be fit to face Oglethorpe, which is the first of the series of "hard" games.

The playing of Ed Stotsbery at tackle dispelled any doubts as to the wisdom of shifting him from the backfield to the line position. And then again the line line plunging done by Markiewicz and Schaefer assures us that "spicy" play in the backfield will be well taken care of. As for our half-backs, we can only say that they made us forget for a short time the ever present fact that we have lost Burns and Athler.

Rolph Was Star

Frank Kniery was given a chance at tackle after Harold Rolph, the real star of the game on the line, was forced to leave the contest at the half, and to say that Kniery made the most of his opportunity would not give the young man in question the credit that is his due. Rolph, emulating his feats of last season, when he saved the day in the unpropitious Thanksgiving Day battle, played his position to perfection. He plays a cool, brainy game, is "mentally alert, yet physically relaxed", and to put it mildly, we expect great things from Rolph this season.

We were glad to see Tom Daugherty flying about on Corcoran Field after a year's lay-off. Daugherty seems to be in great form, and has indicated that he is in for a big year.

First Touchdown

Jim Bolger scored the first touchdown of his collegiate career when he picked up a fumbled ball and ran 25 yards for a touchdown. Bolger and Sherman, the regular guards, are a source of great strength in the middle of the line, and with that fighting Kentucky, Bill Moloney, between them, will protect the mid-section to perfection.

The game Saturday with the Morehead State Teacher's College is expected to give Coach Meyer a chance to test his reserve material which he used only in part during the Transylvania contest.

TO ASSIST

A committee consisting of William M. Clines, senior president, Edmund D. Doyle, junior president, Robert W. Schmidt, sophomore president, and Andrew Schmidt, freshman president, will sponsor a campaign among undergraduates of St. Xavier College to assist with the sale of tickets for the Maryland Garden Fete to be held at Good Samaritan Hospital, Clifton, October 18, 19 and 20.

Funeral services for Mr. F. Slocum, the father of Rev. Hugo F. Slocum, S. J., a member of the class of 1903, St. Xavier College, were held from St. Francis de Sales Church, September 13.

Father Slocum is Dean of Men in the Graduate School of Philosophy, St. Louis University, St. Louis, Mo.

Rev. Thomas J. Nolan, S. J., dean of men, St. Xavier College, spoke at the weekly chapel assembly, this morning.

DO YOU KNOW THAT—

A committee from the Student Council consisting of Edward R. Tapp, Chairman, Ted. G. Schmidt and E. Wirt Russell was appointed by President Clines to look after the printing of Union House tickets which will entitle the holder to the privileges of recreational facilities in the Union House.

Raymond J. Fullinger, a member of the class of 1928, is the registrar in the College of Liberal Arts, St. Xavier College.

Miss Sylvia Lalithwaite, former director of the academic department of the Detroit Public Library system's largest branch, is the librarian at St. Xavier College. Miss Lalithwaite is a member of several languages and has enjoyed distinct scholastic privileges. She is a native of Ireland and was educated at schools in her native land, at Oxford University, and at the University of Illinois, this country.

Rev. Frank Heilmann, S. J., the twenty-second president of St. Xavier College, celebrated his golden jubilee as a member of the Society of Jesus, September 29.

Father Heilmann entered the Jesuit Order September 20, 1878, and served as president of St. Xavier from July 3, 1913, to January 1, 1917.

At the present time, he is a member of the faculty of John Carroll University, Cleveland, Ohio.

The funeral of Mrs. Caroline Oest, 2514 Woodburn avenue, the mother of Rev. Francis Oest, S. J., a former member of the St. Xavier College faculty, was held from St. Francis de Sales Church, Tuesday morning.

Rev. Michael Eicher, S. J., preached the funeral sermon.

Rev. Joseph F. Kiefer, S. J., formerly a member of the St. Xavier College faculty, is a visitor at Hinkle Hall. Father Kiefer is now a member of the faculty of St. John's College, Toledo, Ohio.

The Holy Name Rally which was scheduled to be held at Corcoran Field, October 14, will be held at Redwood Field instead.

Irreparable damage to the newly laid sod on the Corcoran Field gridiron would result from the use of the field, especially in view of the fact that it was torn up during the past few days on account of bad weather.

OBSERVATIONS

At the Transylvania Game.

Frank McDevitt showed a cool head to kick the point after touch-down in the last half. Close observation indicated that McDevitt waited until Quarterback Daddens held the ball at exactly the right angle before he drew his foot back for the kick. Transylvania players were standing through the second-half St. Xavier line in droves when Frank kicked the point.

The point after touch-down is such a little thing yet such a mighty one. What's the use of working for half the game to score a touch-down if a missed goal kick will give the opponent a victory? The point after touch-down has been taken too lightly in a number of college games. Ask players of the University of Southern California team for confirmation of the above. The jump from the Golden West has bowed twice to Knute Rockne's Notre Dame gridgers with the only difference between the two teams being the ability to kick the ball between the uprights after the touch-down. More power to the goal kickers and

may St. Xavier have a numerous and capable lot of them.

Both "Back" Phillips and Ed O'Hara should improve as the season ages and if so St. Xavier will have another pair of capable ends for the heavier games later on in the season. Phillips played his first game of college football Saturday and surpassed expectations. O'Hara was the same steady player as he was last season.

Captain "Chip" Cain whirled thru the center of the line for substantial gains on quarter-back sneaks several times during the Transylvania game. A team that has a backfield in which all the players are capable ball-toters has an immense advantage over the one where the quarter-back calls signals and lets his three cohorts tend to the yard-gaining.

The souvenir program of 88 pages made its appearance at the Transylvania game and was well received by the rain-soaked throng. Pictures of the team and individual players will be added to the book next week. The management of the publication has announced.

tackles to their feet in a number of instances. O'Bryan pushed deep into the visitors' territory and Transylvania was unsuccessful in thrusts at the Musketeer forward wall. Crutcher was back to punt for his Pioneers and the slippery ball escaped his hands when the over-alert Jim Bolger broke thru, scooped up the oval and ran fifteen yards for St. Xavier's second touch-down. O'Bryan's kick after touch-down was again blocked.

Schaefer Shows Will

Kenny Schaefer replaced Markiewicz at fullback late in the third period. In the fourth quarter Coach Meyer showed in a host of substitutes and St. Xavier was playing its entire second-team before the end of the game.

Schaefer routed off several punts for good distances to keep the play in Transy's territory for a good length of the time. Hal Stotsbery went strong at tackle for St. Xavier in the final period and threw Transy players for several losses.

After both teams marched up and down the field, neither coming within scoring distance, St. Xavier gained the ball on its own 25-yard line. The stage was all set for the spectacular and "Irish" Foley planted 78 yards for a touch-down around the left side of the line and down the edge of the field behind the interference. McDevitt booted St. Xavier's only point after touch-down following Foley's run.

The game ended shortly after with the ball on Transy's forty-yard line and in St. Xavier's possession.

St. Xavier was forced to fight every inch of the way to gain the decision over the Pioneers. The Musketeers had the necessary punch to land the victory in capable reserve material.

Morehead State College of Morehead, Ky., comes to Corcoran Field Saturday for the second home contest here.
