CLASS POLICIES

1. **Attendance** and participation are critical in this course and will be recorded daily. This course is very interactive (hands-on)...*Knowledge is CONSTRUCTED not received.*
2. **No late work accepted.** Assignments are to be submitted on the due date at the beginning of class. Late assignments will not be accepted unless **PRIOR** arrangements have been made with the instructor. A score of zero will be assigned for any assignment received beyond the due date.
3. **No make-up exams/tests.** The skills tests will be taken the 1st week of December. They will be taken only those days in class. A score of zero will be assigned for any missed tests.
4. INFO 220 has a **zero tolerance for academic dishonesty.**
5. **Technology:** The use of the computers during class should be used **ONLY** for the material. They are not to be used for any other purpose (email, facebook, etc.) during class time.

ACADEMIC HONESTY

"All work submitted for academic evaluation must be the student's own. Certainly, the activities of other scholars will influence all students. However, the direct and unattributed use of another's efforts is prohibited as is the use of any work untruthfully submitted as one's own." The penalty for violation of this policy will be a zero for that assignment if it is a first offense. Subsequent violation will result in an **F for the course.**

You are encouraged to work and study with other students in class and to learn from one another as opportunities provide. However, turning in the work of another or providing your work to someone else will be considered academically dishonest. It is my tendency to handle such cases with the severest penalties possible.

XAVIER UNIVERSITY VISION STATEMENT

"Xavier men and women become people of learning and reflection, integrity, and achievement, in solidarity for and with others."

WILLIAMS COLLEGE OF BUSINESS MISSION

"We educate students of business, enabling them to improve organizations and society, consistent with the Jesuit tradition."
