CSMC PLANS
St. Nick Hop December 6

Something novel in the way of college frats is being planned by the college division of the local council of the Catholic Student Mission Crusade. The affair will be called "St. Nick's Nite Out," by reason of its being held on Friday December 6. It will be a reception and soiree with dance music by a popular local orchestra.

The event will take place in the Fenwick Leuqh, from ten till two, and admission is set at fifty cents per person.

Seven Xavier men are on various committees, Louie Kuehle, commerce sophomore, is one of the chairmen. W. Armstrong, commerce senior, is chairman of the music committee. What is more, the committee, like the Nite Outers, arts sophomore as one of his assist­ ants, has the duty of soliciting the members of the society. Charles Kurz, editor, heads the publicity committee, with James B. Berens, pre­ serv apprentice, and William J. Behm, president on the ticket committee.

In 1917, patriotism, girded by the lie 
flushed before its fans, gradually went 
blind with fury. We fear it may be

Alphonse X. The Four

The Booster Council was forced to take action last week; and as a result, the nickelodeon, placed in the University building, has been shut down and away until the next student dance. Elugs, tattums, or other mutations have taken their toll.

An outsider reading this probably imagines the school is merely another high school because of this sophisticante vocabulary. He doesn't need to imagine that we still have some nit-wit, halfwitted students who can't get into that school. We want no more of that! we want more of something that's not just another high school.

With a little forethought, time, when examinations, book reports, and readiness reading for the finals come, we might remember that the old idea of 'something for nothing' just doesn't work.

Blue Meets Bobcats In Turkey Day Finale

Bobcats Hold Ties With Butler, O. W.

Thursday afternoon Xavier will be up in 1940 gridiron season against the Ohio University Bobcats, who hold a record to date of six wins against three losses the Musketeers will attempt to bring their percentages up to 700.

Comparative scores, recent performances, results of previous encounters, and the relative conditions of the two squads, all combine to make the Blue team the experts' choice.

Last week Dayton lost to seven points to Ohio U., after defeating Xavier, 13–0, the previous Friday. Early in the season the Musketeers defeated Butler and the Bulldogs had played the Athenians to a 7-7 tie.

'Olts Favored

With a full squad available for action, the Bobcats will have an advantage over the Crowners, who are a bruised, tired eleven after the last two games. Nearly every regular on the squad has something wrong with him except perhaps Weaver, Hasker and Hargrave. The backfield reserve strength was which is one of the main factors in the early season success of the Blue and White.

Gannets Lead In 1-M Loop

In the elimination struggle for the mernal football title the Gannets, containing the Nos. 16-6, tie the lead. Nicoll's late passes in the game will be a reverse was the feature of the game and clinched the contest.

The Nos. came through with a 12-6 win over a favored Butler team in a close game, after dropping their first two, 6-5, to the Kepwes.

In the two and out tourney the Gannets have no losses, the Noman's have two defeats and one victory, and the Scrappers have one loss.

In the regular league competition the Nos. and Gannets, both undefeated teams, tied with 6-0-1, shared top spot. The play-off for the title ended in a tie after two overtime contests were declared co-champions of the loop.

Scrappers Show Well

Statistically the second place Scrappers were the outstanding sextet of the regular loop with a total of 96 points in six games against 13 for opponents. The Scrappers held the advantage in the air with 12 of their 18 touchdowns coming on passes.

'Slid' Saulfield, Scrapper back, tall, agile points to the individual scoring crown, Sheenan, of the Nos., and Gates of the Wolves, who are tied with 36 points, and Schmiedlin of the Scrappers had.

The leaders on the throwing end of the aerial series were Thumann of the Nos. and O'Hara of the Scrappers, each of whom connected for marksmen with 8 passes.

Hoophmen To Open 23 Game Card On Dec. 2

Six Muskie Regulars Back

On Monday night, December 2, the Musketeers present the 19th edition of their basketball team when they open the court season against Kentucky Wesleyan. Following that come games with Youngstown, Georgetown, and Centre, and then the Musketeers sail into the rest of a 23-game schedule which looks to be the toughest ever faced by a Blue outfit.

Back from the team which enjoyed indifferent success are Bob Litzinger, who will pilot the basketball team as well as the football squad, Moose Himmel, Bert Robben, Bill Gates, Jim Vaughn, and John Thumann. Litzinger and Himmel have been busy on the gridiron to date, but will start practice for the intercollegiate Monday. Robben, who led the team in scoring last year, along with Gates, Vaughn, and Thumann. Jerry Quinlin, high school team center, Jim Vaughn, who saw little action last year, due to an operation on his knee, will be available for duty this year.

Likely Sophos

Several of last year's freshman are expected to bolster the experienced squad, chief among them being Jack Tetens who came to Xavier from St. Ignatius high school in Chicago. Jack is capable of scoring with either hand from any spot on the floor and is expected to see much service this year. Lanny Bob Mal­ligan, Pennsylvania sophomore, who grabbed off a regular right end position on the football team before he was injured in the Butler game, will also see much action.

Donadio Named Frosh Captain

Big John Donadio received a vote of approval from his teammates when he was elected captain of the freshman football squad. Johnny has shown that he is deserving of this position by his fine display of ability throughout the season.

Donadio stands an even six feet tall and weighs 185 pounds. He came to Xavier this year from McKinley High at Niles, Ohio. At McKinley, Johnny played varsity ball for three years and was placed on the All-County team in his senior year.

The freshman followed the example of the upperclassmen when they chose an and to pilot them.

MARRSHALLED FORCES CRITICIZED

To The Sports Editor:

A good Musketeer eleven traveled down to Huntington, W. Va. last Saturday and really got stomped. The Xavier team that lost last week had made a favorable showing against such colleges as Kentounty, St. Vincent, and Ohio Wesleyan.

Xavier is not a Conference member, but by playing teams listed in other conferences and also by restriction of Ohio college rules, Xavier besides by a gridiron code and football ethics. Marshall, on the other hand, doesn't seem to have anything but 22 men who can play football.

The Herd is positively a flashy outfit, but should they be masked as a collegiate gridiron machine? A school as big as Marshall has a team of 32 men, each of whom over two or more positions. These players reside not on the campus, but in nearby hotels. The Herd has been refused games with Conference teams, has been rejected by Ohio U. and Dayton, and has a schedule with very few teams that Xavier would think of scheduling.

Therefore why should Xavier, a great little College team play a combine such as Marshall? Why not schedule the Chicago Bears or the Washington Redskins and give the fans the color and showing of accepted professionalism?
