The majority of the students can

Day Hoop League Opens With 11 Teams

Eleven teams have signed up for the new season, each quite considered capable of topping the flag. At this time however, the Muskies have given their favorite position. This formidable five includes Bill Pulman, last season's top scorer, and Kopp from the '39 All-State; "Wit" Meyer, high point man for the '39 Fosh quintet; Hugenberg and Hart, classy guards.

The Breathless Wonder, the 1940 team's inner star and leading contender. The veteran Wonder squad is led by Late, Battle, Hamner, and Beckman. The Coonhunters should improve last season's third-place standing, as they have veteran Shuches, Krekel, Nurmi, Groves, Gilman, and Welch.

Two other outfits that will have plenty of intangibles in the intramural campaign are the Crimson Wave paced by Ravensberg and Arzala, and the Satellites starring Hamner and Schoemaker. The Noodles, recuperating from the football ticket victory, will likely carry their activities from the gridiron to the court.

The remaining quintets are newcomers to the mural ranks and trouble lacking on these. But in the league where anything goes the favorite doesn't always win.

Ohio University Outscores Xavier In 69-57 Battle

After unleashing a powerful shot out of the atom-bombing fieldhouse last weekend, the Muskies now journeyed to Athens, O., to lead the veteran Bobcat quintet of Ohio U.'s new order.

Unable to find their scoring eyes the Muskies were hand-cuffed until late in the second half when they ran up thirty-two points to nine minutes thus lose to the Athenians, 69-57.

Early Lead

The Cats jumped off to an easy lead when their first four shots connected. The Muskies got their second quarter in the making made a free throw to make the score 8-9, but this was the closest the visitors could approach.

With Baumboltz and Carl Otis running wild the Cats swayed away to a 30-22 lead before the Musketeers started to hit. Billy Grasie led the Muskies with 23 points.

New Record

The Pennsylvania rout was the very uninteresting contest until it began to seem that the Muskies were almost certain to set a new record. When Jack Krueger's only basket of the game and the 100th point of the season was scored in the 76-25, the new record was announced and the crowd went wild.

At no time was Xavier even threatened. The Muskies had all their shots down for six times the Muskies had a 4 to 1 advantage over the Kentuckians. Bert Robben's 17 points and Jack Teten's 15 were the high totals for the Blue hoopeer.

The night after the Creighton and Xavier doubleheader our Blue Devil journeys to Indianapolis to meet the Butler Bulldogs, 1939 Indiana All-Stars. Last Thursday night we have the Bulldogs dropped a 39-21 decision to Indiana's Big Two all-stars, and edged out Ohio State; game of the leading Buckeye team. Butler coach Tony Hittes has nineteen lettermen returning, and expects on superior height, the spectacular shooting and rebound work of Capt. Bob Dietz and the rangy string of Roy Neal our hostees up in the top flight basketball circle. Clayton, 6' 2" senior, playing his first year of basketball, holds down the center post.

Kentucky Jan. 9

Bill Hamilton, 6' 9" senior who played opposite Xavier's Gates and Robben in high school competition, is the leading guard of the Indians.

The home game with the Kentucky Wildcats Jan. 9, should be the top-notch encounter of the tournament. The Cats five this week begins a western trek that picks them against Nebraska on Wed. and Creighton on Thurs. away; on New Year's Day the Kentucky quintet meets Indians in a Sugar Bowl Fixture.

(3) Any basketball unit winning an individual tournament will receive five (5) points; runner-up in an individual tournament will receive two (2) points.

FL. LYNN RETURNS FROM CONFERENCE

The Rev. Laurens J. Lynch, S.J., dean of freshmen, returned Friday after an absence of over two weeks. With the Rev. John J. Benson, S.J., dean, he attended the Deans meeting of the Chicago, New Orleans and Missouri Province, held in Chicago the latter part of November. Various questions concerning curriculum, tests, courses, and other problems of a college were discussed.

1935 Ohio Champions

In the closing game of the 1935 basketball campaign Xavier came from behind to edge out Columbus University, 23-20, then take the Ohio loop crown for the second year in a row. Led Captains Leo Back and Russ Sweeney, the X boys copped fourteen titles, while losing only three this year, one to Notre Dame and one to Ohio State.

From The Press Box

BY FRANK GORMAN

With the tension of trying to maintain a winning streak of their mind, the Muskies can set their egos and play good basketball from here on in. And they'll have to play very good ball to prevent any league prospects. All three are veteran outfits, and Butler is exceptionally strong, as shown by their three-point lead over Indiana U., Big Ten title holders.

The Muskies may also be called on to do a little Brownie-bouncing Saturday night, but if that hasn't broken in the dailies before you read this, we've probably wrong.

Our sympathies go out to the official scorer at Ohio U., who had to keep up with a 50-point barrage in nine minutes, put on by X and the Athenians last Sat­urday. It's quite a job to score an ordinary game (see Griffin and Brekine, Neu statistics), without at­tempting to record five points per minute.

Pro-s並將 dope on 1-M basketball leagues give the edge to Bill Pulman's 1-M Pro, sometimes known as the Thundering Herd, in the Day League, and call the Dorm League a toss-up between Dormies and Foglins.

Seven of the Creighton Blue Jays were All-State men in their high school days. Four of the Muskies were All-American at Loyola Tournament.
