XAVIER MEN GET IN THE SCRAP

Military Ball Is Night Of October 30

Appointment of the Military Ball Committee initiated plans to make the annual ROTC dance to be held this year Friday, October 30, in the Hall of Mirrors of the Hotel Netherland Plaza one of the most colorful of the year. Col. Alpha Brumage, P. M. S. and T., made the preliminary appointments and announced that Lieut. Robert Burwell, newly assigned assistant P. M. S. and T., would assist the committee.

Cadet Colonel Alvin Lantz will act as chairman of the committee. Assisting him will be the following: Band Committee, Cadet Captain John Beckman; Program Committee, Cadet Captain John Goettke; Ticket Committee, Cadet First Lieut. William Dierker; Invitations Committee, Cadet Captain Neal Gilmartin and Cadet First Lieut. Robert Bernens; Publicity Committee, Cadet Lt. Col. Leland Schneider. All of the above named are members of the Second Year Advanced Class.

Chief among the immediate problems to make this Military Ball the entertaining affair promised, will be the selection of a popular orchestra and the election of an Honorary Cadet Colonel, who will be commissioned in a distinctive ceremony on the night of the ball.

Assisting the Senior Advanced Class members of the committee will be several cadets of the Junior Advanced Class. These representatives have not as yet been selected.

Four Chosen For Tavern

The Mermaid Tavern has scheduled its grand assizes and annual initiation for new members next Monday night. Host James Rentrop announced that four new members shall endure the "sacred rite". These men are: Neal Faessler, senior, and columnist on the News; Robert Niehaus and George Reusch, juniors; and Melvin Hillenbrand, sophomore.

Rev. Paul J. Sweeney, S. J., moderator of the literary society, has stressed the importance of the two contests open to the school — the short story contest sponsored by the Cincinnati Musical Association, and the annual English Intercollegiate Contest. He urged Tavern participation in both contests.

Readings at the September 28th meeting were Father Sweeney's short story entitled *Blood Money* and Thomas Beechem's editorial called *Five Percent — Sixteen Percent*.

Enrollment Is Increased 10%

Total enrollment at Xavier reached a new high this year, as 562 students registered. Another record was set as 278 of this number were freshmen. This represents a 10% increase over last year.

The out-of-town students too, are breaking records, as a 30% increase was noted. Eighty freshmen form the largest portion of the record 129 dorm students.

The enrollment by classes is: 278 Freshmen, 120 Sophomores, 84 Juniors, 77 Seniors, and 3 Un-classified students.

Dwyer, Woods McCarthy Win

Dorm-student Robert Dwyer has been elected president of the freshman class. Freshman student council representative is James Woods, Elder High graduate.

The new junior representative on the student council is Robert McCarthy. He will replace Gilbert Gordon who did not return to Xavier this semester.

Freshman president Dwyer is a graduate of Champion High School, Prairie du Chien, Wis.

McCarthy is an active member of the Traditionists and assistant business manager of the *Xavier University News*.

Scrap Depot

Students are requested to bring all their donations of scrap metal, rubber, fabrics, hemp, etc., to the lower practice field off Victory Parkway.

The official Xavier scrap pile will probably be located near the backstop at the Northwest corner of the field. This selected location, however, has not been approved by school authorities at press time.

X Dad's Club Meets Tonite

The Dad's Club will assemble at 6:30 tonight, in the Union House cafeteria for dinner and the initial business-social meeting of the season. Mr. James Robertson, president, and Rev. Raymond F. Mooney, the new moderator, extend a warm welcome to the Frosh Dads and all the "Old Dads."

Since last Tuesday evening, when the Board of Directors met to arrange this meeting, Mr. Norbert Janson and his Dad's Day committee have been working on plans calling for the largest celebration in Dad's Day history. Dad's Day will be featured on October 18, with many out-of-town Dads present.

A farewell dinner at the Palace Hotel was given in honor of Rev. Lawrence J. Lynch, S. J., former freshman dean.

Xavier, U. C. Are Contestants In Scrap Drive Competition

CAMPAIGN TO END ON NOVEMBER 1; PRIZE AWARDED WINNING SCHOOL AT U. C.-X. GAME

Introducing a novel and patriotic function in intercollegiate competition, the University of Cincinnati and Xavier University today inaugurated a competitive scrap drive which will be sponsored by the three Cincinnati daily newspapers.

ROTC UNIT TO PARADE

Following a precedent set last year, the entire Xavier ROTC unit will march in the Annual Holy Name Parade next Sunday, October 11, according to an announcement by Col. Alpha Brumage, P. M. S. and T. The Regiment will march in the parade formation assumed at the regular Corps Day Review. The unit will be dismissed at Crosley Field where some of the Cadets and Cadet-officers will be detailed on special duty.

The batteries will form in Washington Park, west of Race Street at the first entrance south of 14th Street at 1:10 P. M. The ROTC Band will fall in on Race Street between 13th and 14th Streets at the same time.

Members of Battery E, under Cadet Captain John Peter, will assemble at the Ball Park at 12:00 noon, where they will be assigned to special duty.

The drive will extend from Oct. 8 until Midnight, Nov. 1. The students of Xavier's College of Liberal Arts are to compete with the students of U. C.'s combined colleges of Household Administration, Applied Arts, Liberal Arts, Engineering and Commerce, and Teachers College. Paralleling the current city, state and national campaigns,

Bring 'Em In

Below are listed various items which will look mighty good on Xavier's scrap pile:

- Metals—** Bed-springs, stoves, skid-chains, bathtubs, lawnmowers, metal refrigerator, radiator, washing machine, kitchen sink, ash cans, sewing machines, pails, pipe, farm-garden-auto tools, boiler, furnace, toys, skates, metal fence, wire, pots and pans, scissors, auto parts-tools, electric motors, electric fans, wash tubs, metal cabinets, jar tops, farm equipment, screens, clocks, batteries, lighting fixtures, furnace grates, lamp bulbs, fireplace equipment, metal golf clubs, metal plant stands, wash boards, metal hangers.
- Rubber—** Girdles, shower caps, gloves, tire-tubes, boots, galoshes and rubbers, baby pants, plug stoppers, nipples, floor mats, sponges, aprons, garters, toys, shower curtains, rubber washers, rubber corks, rubber covered wires, seat pads, soles and heels, raincoats, combs, bands, pencil erasers, garden hose, hot-water bottles, balls, swim suits, bathing caps, mattresses, sheets, tennis shoes, bath mats, jar rings.
- Fabrics—** Vegetable sacks, cotton underwear, wool underwear, sheets, pillow-cases, bedspreads, towels, washcloths, handkerchiefs, tablecloths, men's shirts, cotton dresses, cotton curtains, wool dresses, suits, coats, dust cloths, draperies.
- Hemp—** Rope, clothesline, curtain cords, light cords, hemp rugs, car seat covers, burlap bags.

Student Leaders Plan Scrap Drive

Pictured above are the Xavier-U. C. leaders in the intercollegiate scrap campaign. Seated, left to right, John J. Beckman, President Xavier Student Council, Business Manager *Xavier News*; Lawrence Splain, Editor *Xavier University News*; Miss Alberta Smith, President U. C. Women's Senate, honorary President U. C. Cadets, coed volunteer defense corps; Len Kuehnle, President Xavier Senior Class; Miss Mary Ann Nenninger, President U. C. Mortar Board Chapter, national women's honorary activities society. Standing, left to right, William A. Klahm, President U. C. Debate Council; Jack Feichtner, *Xavier News* Staff; Hoyt Graham, President U. C. Student Council; Tom Wartik, Editor *Cincinnati (U. C.) News-Record*, President U. C. chapter Omicron Delta Kappa, national men's upperclass honor society.

the collegiate competition, appropriate prelude to the X-U. C. grid contest on Nov. 21, is intended to procure scrap through student activity in Cincinnati (Continued on Page 4)

WHY SCRAP?

NOTHING is more necessary now to the accelerated pace of war production than scrap.

Scrap piles are fast becoming the real reservoirs of productive strength in war industry, and along with war bonds our most immediate insurance of victory.

This need for scrap is not just newspaper and radio chatter.

The need for scrap is an ominous fact: at the present rate of consumption our scrap reserve will be exhausted within the month.

Both the newspaper and radio facilities of our nation have been strongly urged by the government to give the maximum of their available resources, time and effort to the scrap campaign.

Rev. John T. McNichols, Archbishop of Cincinnati, in a special appeal to the archdiocese, has asked all Catholics in whatever way possible to give their full assistance to the national and local scrap campaign.

Today, under the sponsorship of the three Cincinnati daily newspapers, a very special and distinctive scrap drive was initiated on the Xavier campus. The University of Cincinnati will conduct a similar drive.

The drive is primarily intended as a joint effort of Cincinnati collegians in the nation's scrap campaign. But actually competitive, the drive will constitute a novel, yet spirited rally in lieu of the forthcoming grid contest between the two colleges.

So get in the scrap — for your nation and for Xavier.

Neal's Nuggets By "Buzz" Faessler

Cynic—
This is a disgusting life. Week after week I pour my soul into print, and whadda I get — ridicule — insults! . . . Week after week I write hundreds of words, and whadda I get—censored! (And always the best stuff) . . . When they need space again in the paper, whadda they cut — my column! . . . There's only one thing that keeps me from quitting — Everybody's too anxious!

You Ain't Kiddin'—
I'm going to have to get a new typewriter this year — this one turns out the lousiest stuff I ever saw . . . besides, it's unpatriotic — it isn't tuned to the war effort — just a plain shift key, no night shift!

'Robbed of His Shirt—
Notice: to the freshie who walked into the Bursar's office on registration day wearing a natty brown suit and a red bowtie, and walked out wearing a squelched expression and a receipted bill — you have a refund coming — your shirt doesn't fit anyone in the office. You may call for it at your leisure.

November 21—
Have you tried to get tickets for the U. C. game lately? For

five bucks and your eyeteeth you can get a seat in Burnet Woods — with a slight extra fee for carrier pigeon service . . . And I like the arrangements they have for dates — must be figuring on a gory spectacle, going to so much trouble to keep the weaker sex away . . . After all, who wants to hold hands with his date by proxy — Can you imagine jumping up after the winning touchdown, hugging some big bruiser next to you in wild abandon, and then asking him to pass it down to Section 1, row 10, seat 5, the girl in the red hat.

Bragging—
Best unintentional crack of the week: Pete, the pretzel man, spying the mermaid on yours truly's arm, and wanting to know if it was Ladies Day!

School Patriotism—
Now is the time for all good men to come to the aid of their party. Xavier's thousand and one societies are now in the process of reorganization . . . This place has more clubs than Alley Oop's arsenal . . . Judging from the beating some new members take in initiation, I'm inclined to think I have something there.

6,000 Were There—
Did you see our ROTC boys

X ALUMNI IN ARMS

By Joe Thesken

[Information listed below concerning Xavierites in the armed forces is the latest available. However, since the address and rank of those in service is changing frequently, our data may be either incomplete or incorrect. If there are any corrections regarding statements appearing in this column, please notify us of them, so that they may be rectified.]

Lt. Jerry J. Quinlin

—grad of '42, and former Musketeer basketball star, is stationed at Camp Lee, Va.

Ensign Daniel H. Heekin

—is in the U. S. Naval Reserve, based at the site of the now-famous objective of the Jap "sneak raid" on Dec. 7, 1941, Pearl Harbor, Hawaiian Islands.

Lt. Stanley R. Keller

—'41, U. S. Air Corps, at the present is stationed at the Municipal Airport, Hialeah, Fla.

In The Navy

—is Lt. William G. Carberry, '32, and Lt. Paul J. Stuhlfreyer, graduate of '33.

John W. Kilcoyne

—grad of '31, prominent Cincinnati lawyer, is furthering his training in the Air Corps at Jefferson Barracks, Mo.

Corp. Joseph R. Kruse

—former coach of the Muskies freshman squad, and valuable aide to coach Clem Crowe, went into the Army several months ago. At present he is stationed at Patterson Field, Dayton, Ohio.

Captain Donald D. Moore

—recently appointed to the rank of captain in the 12th Armored Division. Captain Moore, '40, is now stationed at Camp Campbell, Ky.

trying to set the world on fire at the Fort Knox game? — If they were Japs we could have called them Incendiary Bums . . . really an impressive spectacle though . . . Very interesting audience, too — considering the calibre of the contest, I was amazed at the dense crowds of emptiness cluttering up the stands.

Buzz Says—

For my money, slacks on women are like galoshes on ducks . . . but that's o. k. — the world needs some comic relief these days.

To A Ration Board—

Once I had a little car,
Its tires were white as snow,
And when I stepped upon the gas,
How that thing would go.

Now I've got my little car,
But my heart is full of woe,
For when I step upon the gas—
No tires . . . no gas . . . no go!

Grad Marries

Robert Vereker, graduate of the University last June, married Miss Mary Kelly in Bellarmine Chapel, Saturday morning, October 3. Reverend Raymond Gray, S. J., cousin of the bridegroom, celebrated the Nuptial Mass. Chester Mutryn, class of 1943, was best man, while Kathleen Kelly, the bride's sister, was bridesmaid.

Being A Glance

. . . . Thru the kaleidoscope of student activity and student thought.

. . . . By Bill Schrimpf

Overture

A new school year with the usual innovations of new freshmen, new first-string football players and new News columnists. May the merciful Lord have pity on them all!

Muscle

It was interesting to note the effects of the Physical-Ed-For-Everyone program. Like everything else requiring a minimal expenditure of college-manpower, it evoked the usual automatic groan. When the fog cleared, however, it revealed, beneath faint traces of perspiration, that certain doubtfults actually do have circulatory systems, which, with a bit of stimulation are only too willing to throw that "blush of health" across the cheekbones. In general the bends and twists are recognized as a necessary evil; it being an established fact that the sedentary habits of the average college student prove detrimental to his whole development. It is granted that we must barter a certain amount of physical perfection for the privilege of attaining greater intellectual heights. For as Professor Thorndike remarks: "It is better to be a Socrates with a headache than a perfectly healthy pig." At the same time the brain cells are noted for their incompetency when being slighted of their oxygen due.

Now it seems that the United States Government, having the little matter of a war to get out of the way, and being dreadfully utilitarian, realizes that in most institutions not even the best in-

tramural program is capable of providing sufficient muscular exercise for the entire student body, hence the order for a phys-ed course in all schools. They're going to make healthy American specimens out of us whether we like it or not.

New Dorm

Xavierius was rather impressed by the latest addition to the university's dormitory facilities at the corner of Marion and Dakota Avenues. The fellows call it the "Mansion," and as one senior put it, "Any school in the country would like to have this place for a frat house." Inside and out there is an air of stateliness and culture. The high grill-work fence and the wide expanse of lawn seem to set it off as a quiet retreat within a bustling city. The cool interior with its dark, polished woodwork and broad winding staircase, the large attractive rooms, all seem dedicated to comfortable living, pursuance of study, and the development of good fellowship.

Psychologists Note

One of the neatest digs at superstition that we've seen lately was a picture of the coat-of-arms which an R. A. F. pilot had painted on the fuselage of his plane. It consisted of a shield divided into quarters. On the field of the top left quarter was drawn a broken mirror, on the top right three cigarettes being lit by one match, bottom left a figure walking under a ladder, bottom right a great big number 13. And emblazoned on a fanciful heraldic ribbon beneath the shield the terse caption: "SO WHAT THE HELL."

True Acting

A few of the couple of dozen X men whom we saw at the Lunts' latest play, "The Pirate," were discussing the rather novel settings employed. They were combinations of painted backdrops and third dimensional props. No realistic effect was attempted nor hardly suggested. Every piece of real furniture was absolutely essential to the action. It was a kind of combination Shakespearean-Modern arrangement in gorgeous color blendings. But what was most remarkable about the whole effect was the opportunity it gave the cast to prove they were artist actors not dependent upon the baser metal of elaborate settings and props to achieve their effects. This they did admirably well, deserving every one of the several curtain calls the audience applauded of them.

Most popular non-fiction book at Manhattan college is Oates' translation, **The Complete Greek Drama.**

Xavier Bursar Missing In Action At Familiar Desk

A familiar face was missing as Xavier students returned for the fall term. Upperclassmen entered the Bursar's Office, intending to renew their friendship with Mrs. McGrath, only to find that she had not returned. No doubt Mrs. McGrath disliked leaving as much as "her boys" disliked her leave. After more than 17 years on the job, Mrs. McGrath was forced to give up her duties following a serious heart attack during the latter part of the summer. At last report she was convalescing, but her condition was still serious.

Alumni returning to the campus after a long absence, always made it a point to stop in the Bursar's Office for a visit with "the first lady of Xavier." All students were affectionately known as "her boys." She always did her bit to make life at Xavier a little more pleasant. She constantly went out of her way to perform some little service for a student, whether Freshman or Senior.

A charter member of the Book-lovers Society, Mrs. McGrath labored constantly in furthering its interests. At these meetings she was as popular with the Mothers as she was with their sons. Her opinion on all matters was weighed carefully before the final decision was given. She was never too busy to do something for Xavier, and for Xavier students.

UNITED STATES DEFENSE BONDS STAMPS

Musketeers Tackle Carroll After Downing Soldiers

Upstaters Boast Of Unsullied Record

A game little "X" team definitely on the rebound and coming back strong will pit its ability against John Carroll's Blue Streaks next Sunday. Chet Murtryn, whom we proudly present as our all-American, will play the lead in a command performance against his home-town boys.

Carroll will be up against a stellar line, a line that outplayed and outmaneuvered an older and heavier Fort Knox Armorer forward wall last Saturday. Special attention can be called to all-Ohio Jim Arata whose outstanding play has sparked Xavier defense thus far. Jim has been playing excellent ball all season, despite an injured knee.

Streaks Struck

The Carroll team boasts a perfect record thus far with wins over Wooster and Baldwin-Walace. Coach Tom Conley, a Notre Dame alumnus, is expecting to stretch this winning streak to three at the Musketeers' expense.

Coach Clem Crowe will be able to send the full force of Xavier strength against the Clevelanders. Owen Weis's injured ankle is coming along fast, and Len Kemper, the pride of Norwood, will be ready for action.

A brilliant half-time display will be put on by the Knights of Columbus in honor of the 450th anniversary of the discovery of America.

Touch Football First I-M Activity

Led by Bob Heil and assistants Frank Lang, Ray Burns, Gordon Hue, and Arky Boyle, intramural play will get under way next week with the opening of the touch football league.

To give everyone the opportunity of participating in intramurals this year the various events will be offered in collaboration with the physical training program. Under this arrangement, teams and leagues will be organized within the physical training classes and games conducted during the physical training periods. The winners of the various leagues will meet in an elimination tournament and the survivor will be crowned champion at the intramural banquet.

An extensive program of intramural activities has been arranged including, in addition to football, basketball, bowling, paddle ball, volley ball, softball, and tennis.

Freshmen, Sophs See Most Action

The Musketeers sprang back into the win column Saturday night with a victory over the soldiers of Ft. Knox, Ky. The final score was 12-2 in a game which may be described from the spectator's point of view as rather lackadaisical.

The score should have been much larger and probably would have been had not freshmen and inexperienced sophomores played most of the second half.

Moody Stars

Xavier's ace halfback, Chet Murtryn, was the backfield star of the game. He passed to John Donadio in the end zone for a tally early in the first period, and out-ran the soldier's entire team on a 50-yard jaunt in the second quarter for the Muskies' final scoring.

The Knoxers got their two points in the final period when a Xavier pass from center sailed through the backfield and out of the end zone.

The Armoreriders, although putting up a good defense at times, showed little in the way of offense. They had one threat in John Moody, former Negro All-American from Morris-Brown, whom the Musketeers found hard to stop.

Flares At Half

To add a bit of color to the soldier's visit, the fans were treated to a between-halves military display. Among those participating were a band and marching unit from Ft. Knox, a women's militia unit from Northern Kentucky, and the Xavier Corps of Cadets.

The Oh's and Ah's accompanying pyrotechnics were brought forth by a trio of flaming V's with a facial outline of General MacArthur inside the central V. The Xavier cadets depicted a huge American flag by means of red, white and blue flares in a darkened stadium.

Cheerleaders To Elect New Captain

Joe McGoff has resigned as manager of the X Cheerleading squad. The other three men, all in their first year, are now veterans of two games and show promise of becoming a fine Xavier cheer squad.

The three remaining are Chuck Kinney, Paul Bruegger, and Carl Albertz. It is expected that a new captain will be elected during the next week.

Prospects Bright For Pistoleers

Xavier's pistoleers are swiftly getting away to what appears to be an outstanding season, if pre-season observations mean anything. With all ROTC Junior and Seniors out sharpening up their eyes for the first time in the team's history, with five Sophomore sharpshooters back from last year's team, and with a basic class composed of seventy freshmen, a wealth of actual team material should develop. Freshmen and other newcomers will be given a splendid chance, team tryouts not coming until late in this semester.

The services of ROTC Seniors, graduating in January, will be lost to the team, inasmuch as the matches do not begin until the second semester rolls around. However, the host of reinforcements coming in, having until February to develop, should well atone for their loss. From last year's team comes letterman O'Neil and Germann plus Sophomores McCarthy, Arata, Spaeth, Johnson, and Kernen.

22 Challenges

A notion of the team's expected capabilities can be gained from the report by Lt. Cissel, Coach, that challenges have already been sent out to twenty-two teams for the coming season. Besides regular matches with the best collegiate pistol teams in the country, as before, plans are being made to meet local civilian clubs in shoulder-to-shoulder matches.

Capt. Selbert, Corp. McKinney To Be Changed

First Lieut. Robert P. Burwell, F. A., reported for duty with the Xavier ROTC Monday, Col. Alpha Brumage, P. M. S. and T. announced this week. Lieutenant Burwell, who was recently stationed at the F.A.R.T.C. at Fort Bragg, N. Carolina, has not yet been assigned to a definite class as yet.

Captain Edwin J. Selbert, F. A., who has been stationed at Xavier for the past two years, will leave the Xavier ROTC staff to report at Fort Bragg, N. Carolina, October 26. At present he is the instructor of the senior Second Year Advanced Military Class.

McKinney To Perry

Also announced on Monday was the appointment of Corp. Lawrence W. McKinney, Jr., to Warrant Officer. He will leave in November for duty at Camp Perry near Toledo, Ohio. Replacing Warrant Officer McKinney as Chief Clerk in the Military Office is Corporal Cecil H. Biven. Corporal Biven, before this assignment, was stationed at Ft. Benjamin Harrison, Indiana.

Publicity Man Vies With DeMille

Ed VonderHaar is being tagged as a "local Cecil B. DeMille" by local newspapers as a result of his sparkling half time shows. With the heavy smoke that hung over the field during the ROTC's Flag of Flares demonstration, he would have done well to Reap the Wild Wind.

FROM THE BOOK . . . by the worm

TECH'S BAD BOYS

Football fans who have attended the last two games on the Musketeer home lot have seen moments when the going has been quite tough. Penalties have been handed out for clipping and roughness; and last Saturday the refs caught the soldiers slugging. But the X opponents will really have to buckle down to Commando tactics if they hope to "better" Texas Tech's record for 1941. (Tech is the team the Musketeers almost met in the Sun Bowl). The Red Raiders were the most penalized team in history, 83 fouls resulting in the loss of 740 yards.

HE'S IN AGAIN

A football coach likes to think he is "on the spot." And if such a sensation gives a coach pleasure, Bernie Bierman is "out of this world."

Coaches point to Bierman's Iowa Preflight squad and ask: "How is he going to lose a game?" "Hasn't he won 17 Big Ten games in a row? Doesn't he have the best material in the land?"

The answers are, respectively: "He can't . . . Yes . . . Yes."

This seems to be a year of superlatives. At various times, we've been told that Great Lakes has the finest football material ever assembled. We've been told (for three years) that the Chicago Bears are the greatest in football for all time. We've been told that Minnesota power would never be stopped.

And then, Bernie's Preflight Cadets!

They all can't be perfect. Or can they, by staying away from each other?

ALL AMERICANS ? ?

George V. Kelly, sports editor for the Chicago Herald-Examiner, outlines the prospects for the Catholic gridders throughout the nation in the September 25th issue of the Catholic Telegraph-Register. His candidates for All-American backs: Bertelli (N.D.) and Filipowicz (Fordham) for their prowess as passers; Grigas (Holy Cross) and Andrejco (Fordham) for their

ability as ball carriers; and Murtryn (Xavier) for all around triple-threat duty.

MORE WOE FOR LEO

John Wieth, former X. U. all-Ohio grid star, has gone back to work for the Detroit Lions, with whom he won "all-pro" ranking last year. And if Lou Smith has his dope straight, Socko will be umpiring in one of the major leagues next year as a reward for the fine job he performed in the American Association this past summer.

Too Important To Forget

The tremendous value of milk as a natural energy restoring food makes it an essential in every student's diet.

Philosophy Club Inducts Seven

With the reorganization of extracurricular activities on the campus, the Xavierian Philosophical Society considered new members to be taken into the organization. Those who are being considered are Thomas Anthony, Richard Martin, Joseph Sommer, Thomas Beechem, Ray Pater, Nelvin Jana, Jock Collopy, Hugh Gootee, and Rourke Sheehan.

The requirements for admission are that the candidate have completed at least six hours of philosophical studies and have at least a "B" average in his philosophical courses. The candidate must also write a paper to show his ability to express himself on a philosophical topic.

The Society has decided that the theme for this coming year is to be *Political Philosophy*. At the last meeting Fred Towers read his paper on *The Relation of Philosophy to Science, Art, and Religion*, which was followed by a discussion of the subject by the members of the society.

The Squad Of 1926

The Muskie football team of '26 produced a number of sports officials worthy of note: a group of referees; Dan Tehan, Paul Gosiger and Cy Bolger; and three coaches; Eddie Burns, "Chip" Cain and Dana King.

Eminent Priests And Laymen Will Highlight Forum

Outstanding priests and laymen will be the principal speakers on the Xavier University Forum this season at Taft Auditorium. Eminent authorities on world events, such as Archduke Otto of Austria, a leader of the underground movement in the occupied countries of Europe, and Dr. Herman Raushnig, former president of the Danzig Senate, recognized as the most informed critic of the Nazi party outside of Germany, will augment the lecture series.

In addition, on the Forum program will be the Most Rev. Duane G. Hunt, Bishop of Salt Lake City; Monsignor Fulton J. Sheen, professor of philosophy at Catholic University, Washington; the Rev. Bernard R. Hubbard, S. J., internationally noted "Glacier Priest", and explorer-scientist who has been aiding the army and navy in Alaska; and the Rev. Ignatius Smith, O. P., dean of Catholic University, Washington.

The Rev. A. L. Fisher, S. J., is director and chairman of arrangements. Specific dates for the individual speakers are forthcoming.

Students Begin Scrap Drive . . .

(Continued from Page 1) and vicinity.

The winner of the drive between the two schools will be announced on Nov. 3. A prize, to be donated by the daily newspapers of Cincinnati, will be awarded to the winning institution at half-time of the U. C.-X game.

The worth of the scrap collected is to be determined on the basis of weight and not volume. The prize will be awarded on a per capita ratio in consideration of the enrollment difference between the two competing universities.

At the conclusion of the drive, the worth of the separate scrap collections will be officially decided by the average of estimates from several scrap collecting agencies. Weighing of the scrap will be conducted in the presence of official witnesses from both universities.

Proceeds realized from the sale of the scrap are to be turned over by each school to worthy charitable organizations.

The committee in charge of the competitive drive are Mr. Allen, district manager of the Cincinnati scrap campaign; William Klahm, chairman of the U. C. scrap committee; and Jack Beckman, Xavier student council president, in charge of the drive on the Xavier campus.

Physics-Math Club Invites Students

A meeting of the executive committee of the Physics and Math club was held Sept. 29. This committee, composed of Harry Germann, president; Herb Bohlen, vice president; Donald Schenking, secretary; Charles Toelke and Fred Fay, planned the reorganization at

the meeting, which was to be held Oct. 3. The meeting, however, was postponed because of a lengthy Corps Day. The meeting will be held October 9.

The Rev. Victor C. Stechschulte, head of the Science Department, has extended a cordial invitation to all students interested in physics and math to join the club. Fr. Stechschulte promises that the society will prove very interesting to scientifically-minded students.

I _____, of the _____ Class

have approximately _____ lbs. of scrap. Please arrange to pick the scrap up at _____

Telephone _____

Please fill out this form and deposit in box in registrar's office.

IN THE AIR FORCE they say—

- "DODO" for the new flying recruit
- "KITE" for airplane
- "HIT THE SILK" for taking to parachute.
- "CAMEL" for their favorite cigarette

★ With men in the Army, Navy, Marines, and Coast Guard, the favorite cigarette is Camel. (Based on actual sales records in Post Exchanges and Canteens.)

CAMELS ARE ACES WITH ME. THEY HAVE THE MILDNESS I WANT—AND THEY DON'T TIRE MY TASTE. A CAMEL ALWAYS HITS THE SPOT WITH ME

FIRST IN THE SERVICE

Camel

The "T-Zone"
where
cigarettes
are judged

The "T-ZONE"—Taste and Throat—is the proving ground for cigarettes. Only your taste and throat can decide which cigarette tastes best to you... and how it affects your throat. For your taste and throat are absolutely individual to you. Based on the experience of millions of smokers, we believe Camels will suit your "T-ZONE" to a "T." Prove it for yourself!
