ST. XAVIER COLLEGE,  
CINCINNATI, OHIO.

This Literary Establishment, incorporated by the State Legislature, under the name and style of ST. XAVIER COLLEGE, enjoys all the privileges usually granted to Universities. Its location is peculiarly advantageous to the mental improvement and bodily comfort of the Student; it affords him the opportunity of attending many interesting lectures on the Arts and Sciences, delivered at the various institutions in this city; it procures him the advantages derivable from regular and well supplied markets, and enables him, in case of sickness, to obtain the best medical attendance. The buildings are spacious, well ventilated, and adapted to school purposes. The diet is plain, but wholesome and abundant: the discipline is firm, but parental. The Teachers are from twelve to fifteen in number, and exclusively devoted to the education of those entrusted to their care. The religion professed by the teachers and by the majority of the pupils, is that of the Roman Catholic Church, yet Students of all denominations are admitted.

PLAN OF INSTRUCTION.

The course of education, embraces two departments, the CLASSICAL and the MERCANTILE, but so conducted, that the student may apply himself to either, or both. The Mercantile Department comprises the English and French Language, Writing, Geography, History, Arithmetic and Book-keeping. The Classical Department, besides the above specified subjects, embraces the Latin and Greek Languages, Poetry, Botany, Chemistry, Botany, Mathematics, Physics, Mental and Moral Philosophy. The Spanish and German, if required, are taught without any additional charge. The English is the ordinary language of communication in all the classes, the French, Spanish and German classes excepted; French and English are spoken indiscriminately during the hours of recitation.

GENERAL REGULATIONS.

The Scholaric Year consists of one Session, which commences on the first Monday in September, and ends in the beginning of July, at which time a public Examination of all the classes, followed by an Exhibition and solemn distribution of premiums, takes place: besides this annual distribution of rewards, once a month, the different places, obtained by the Pupils in their classes are publicly proclaimed, and medals and other badges of distinction are given to the most deserving in each class. The general age for admission is from 10 to 16 years. Should any Pupil have been at another College, testimonials of good behavior from the President or Faculty of such Institution will be required before admission. The degree of A. B. will be conferred on Students at the end of their classical course, if they are found qualified. The degree of A. M. will be given to the Alumni, who after having completed their collegiate course, shall have devoted at least two years to some Literary pursuit. Every Thursday in the year is a day of recreation.

REGULATIONS PECULIAR TO BOARDERS.

The Boarders must be at all times under the superintendence of one of the officers: once a month they will be permitted to visit their parents, guardians, or relations, residing in the city or its vicinity; no other absence will be allowed during the course of the Session, except in cases of necessity. At the expiration of every quarter, bulletins will be sent to the parents or guardians, to inform them of the conduct, health and proficiency of their sons or wards.

None will be admitted for a less time than one year, or a full Session; and the course of studies entered upon must be pursued till the end of the Session.

SPECIAL DIRECTIONS FOR PARENTS AND CHILDREN.

On entering, each boarder must be provided with a uniform, to be worn upon public occasions: it consists of a blue or black frock coat, with pantaloons of the same cloth for winter, and white pantaloons for summer. He must also be provided with at least two suits of clothes for each season, (summer and winter) eight shirts, eight pair of socks, six napkins, six towels, four pair of shoes or boots, a black fur hat, a cap, a cloak or overcoat for winter, a knife, fork, spoon, tumbler, comb and brushes. All these articles can be purchased by the College, provided the parents place in the hands of the Treasurer a sum sufficient to meet the expenses. Bed and bedding may be furnished by the parent, or will be furnished at the Institution for $6 per annum. The bedssteads, being all of the same form and size, will invariably be furnished by the College. The bedding, when supplied by the parents, must consist of a mattress of about 6 feet, a pillow and at least two pairs of sheets, and two double blankets and a white counterpane.

No student will be allowed to have money in his own custody. With regard to pocket money, it is the wish of the President, that no more than 12 or 25 cents a week be allowed to the Students, and that the money intended for that purpose ($520 or $13 a year) be deposited with the Procurator.

No advances will be made by the Institution for the clothing and other expenses of the Students, if no sum to meet such expenses be deposited by the parents. This regulation is considered indispensable, and will in all cases be strictly adhered to.

When at the end of the Session, parents or guardians wish to have their sons or wards sent home, they must give timely notice to the President, settle all accounts, and forward what is to be sent. Parents who live at a distance are requested to appoint agents in Cincinnati or New Orleans, who must be answerable for the payment of all expenses, and to whom the Pupil may be directed, on leaving the Institution.

MR. P. HUCHET KERNION, New Orleans, will act as regular Agent of the St. Xavier College, for Louisiana, Mississippi, Mexico, Cuba, &c.; and receive the payments and send on such youths as may be recommended to his care by the parents or guardians.

All letters sent or received by the Students, unless the parents or from their parents, shall be subject to the inspection of the President.

All letters written by the parents or others, to the Students, or to the President or Agents of the Institution, must be directed free of postage, or they shall be liable to remain at the post office.
