Dear reader:

Consistent with its Jesuit and Catholic tradition, Xavier University provides a vibrant learning environment that challenges a diverse and capable student body intellectually, morally and spiritually. Our teachers and scholars contribute significantly to the advancement of knowledge in the classroom and to the intellectual life on campus. The University’s faculty development program, under the guidance of the faculty development committee, is designed to foster growth in teaching and scholarship in our academy.

What follows is a listing of the scholarly works of the faculty during the period 2002-2006. I am confident you will appreciate the breadth of scholarship represented and that you will recognize the importance of scholarship in our community.

Thank you for your continued interest in and support of Xavier University.

Sincerely,

Michael J. Graham, S. J.
