**ATTENDANCE POLICY:**

- Attendance is mandatory due to the many lectures and demonstrations that cannot and will not be repeated for absentees. In addition to class time, be prepared to spend extra hours in the studio completing the various clay experiences. There will be a grade deduction for absence - for every two (2) absences, your final grade will be lowered one (1) full letter grade. Two (2) “tardies” equals one (1) absence. Arriving late and/or leaving early may result in an absence. Arrive on time and expect to stay the full 2½ hours.

**GRADING POLICY:**

- Grade F will be given for:
  a) failure to meet course requirements
- Grade D will be given for:
  a) overall poor quality of work, unsatisfactory effort, motivation and improvement during semester
  b) incomplete or late projects
  c) absence from critiques, inadequate participation
  d) lack of ability to receive advice, criticism and to exercise critical judgment in relation to works in progress
  e) repeated absences from class (see policy)

  a) overall average (satisfactory) quality of work, satisfactory motivation, effort and improvement demonstrated during the semester
  b) completion of all projects by the due date
  c) participation in discussions, critiques and classroom exercises
  d) ability to receive advice and criticism, and to exercise critical judgment in relation to work in progress
  e) attendance (see policy)
  f) minimum 5 hours per week spent on home and studio assignments
- Grade B will be given for:
  a) consistently high quality of work, motivation, effort, and improvement during the entire semester, and demonstrated attempts to go beyond the required standards of the course.
  (b-f) same as for grade C
- Grade A will be given for:
  a) consistently exceptional quality of work, motivation, effort and improvement during the entire semester, with results going far beyond the required standards and framework of the course.
  (b-f) same as for grade C

**NOTE:** Quality of Work in grade definitions means studio project(s), conceived and started as a concept/idea, materialized with appropriate craftsmanship and with interesting visual, formal, and/or conceptual end results (finished project).

**OTHER CLASS PROCEDURES:**

- Studio maintenance is a crucial part of any art class. Students are expected to participate in all aspects of this, which includes the timely mixing of clays and glazes, assisting with the stacking and unstacking of the kilns along with other kiln maintenance, and cleaning up after themselves at the end of each class session. Strict adherence is expected, and will directly affect the final grade.
- Turn off all cell phones, pagers and other electronic devices while in class. An environment of mutual respect is expected.

*This course fulfills Fine Arts (3 hr) requirement of the CORE CURRICULUM* promoting such learning outcomes for students to: be effective communicators in writing and orally; be critical thinkers who analyze and interpret images, objects, and artifacts; discuss fundamental questions that arise from the human condition; be creators of new knowledge and expression utilizing your imagination and creativity; create, perform, and produce work that synthesizes technical execution and expressively communicates; understand and appreciate the arts, encouraged to use human experience and religious traditions as resources to address contemporary issues; act as global citizens who recognize the societal, ethical and moral dimensions of art-making.
• Every class session of the semester is outlined on the following pages. Students are expected to be on time and prepared for each class and each designated critique. With each class session a project is late, it will be dropped one full letter grade. Active participation in class discussions and critiques will directly affect the final grade.

Note: There is a CRITIQUE (when projects are due) every two (2) weeks.
