OTHER CLASS PROCEDURES:
• Studio maintenance is a crucial part of any art class. Students are expected to participate in all aspects of this, which includes the timely mixing of clays and glazes, assisting with the stacking and unstacking of the kilns along with other kiln maintenance, and cleaning up after themselves at the end of each class session. Strict adherence is expected, and will directly affect the final grade.
  Xavier students are expected to check their Xavier email on a daily basis.
• Turn off all cell phones, pagers and other electronic devices while in class. An environment of mutual respect is expected.
